"Template Guidance for Petitions"

Tendring District Council requests that any petition contains a clear and concise "Statement" covering the subject of the petition, the area to which the petition relates and what actions the petitioners want the Council to take. The lead petitioner should include their details, so the Council knows who to contact. It is the responsibility of the lead petitioner to ensure that the petition follows the correct procedures and complies with Tendring District Council's requirements which can be found at: http://www.tendringdc.gov.uk/sites/default/files/documents/council/Petitions%20Scheme.pdf

Date the Petition was submitted:
(Include in the statement: what is the petition for? Why is it important? This statement needs to be used on every page of the petition, so that a person signing the petition knows exactly what is being requested).
