SUMMARY AND EXPLANATION

The Council's Constitution

Tendring District Council has agreed a constitution which sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.

What's in the Constitution?

The Constitution is made up of seven major parts as follows:

Part 1	The Summary and Explanation
Part 2	The Articles of the Constitution
Part 3	The Delegated Powers and Schedules of Responsibility for Functions
Part 4	Council Procedure Rules
Part 5	Rules of Procedure
Part 6	Codes and Protocols
Part 7	Members Allowance Scheme

Part 2 The Articles of the Constitution

Article 1 of the Constitution commits the Council to work towards its vision for Tendring as set out in the Council's Corporate Plan. Articles 2-16 explain the rights of citizens and how the key parts of the Council operate. These are:

- Members of the Council (Article 2)
- Citizens and the Council (Article 3)
- The Full Council (Article 4)
- Chairing the Council (Article 5)
- Overview and Scrutiny Committees (Article 6)
- The Cabinet (also referred to as the Executive) (Article 7)
- Committees (Article 8)
- Standards Committee and Town and Parish Councils' Standards Sub-Committees (Article 9)

- Area Committees and Forums including Community Consultation and Participation (Article 10)
- Joint Arrangements (Article 11)
- Officers (Article 12)
- Decision Making (Article 13)
- Finance, Contracts and Legal Matters (Article 14)
- Review and Revision of the Constitution (Article 15)
- Suspension, Interpretation and Publication of the Constitution (Article 16)

Part 3 Delegated Powers

This part of the Constitution sets out the key delegated powers to each element of the Council's decision making structure.

Parts 4/5 Procedure Rules for Operation of the Constitution

Set out in this part of the Constitution are the detailed rules and operating procedures that relate to each of the key sectors of the Constitution namely:

- Council Procedure Rules (Part 4)
- Rules of Procedure (Part 5)

Part 6 Codes and Protocols

This includes:

- The Members' Code of Conduct
- Complaints Procedure
- Monitoring Officer Protocol
- Independent Person Protocol
- Protocol on Member/Officer Relations
- Members' Planning Code & Protocol

Part 7 Members' Allowance Scheme

The Members' Allowance Scheme is approved by the Council following consideration of the recommendations of the Independent Remuneration Panel on Allowances.

How decisions are made

Decisions are taken on a day to day basis by the Cabinet, which is made up of Leader and the Members appointed by the Leader. Key decisions to be made are published in the Council's Forward Plan in so far as they can be anticipated. Meetings of Cabinet are generally open to the public to attend, except where personal or confidential matters are being discussed. The Cabinet has to make decisions in accordance with the Council's overall policies and budget. If it wishes to make a decision that is outside the Budget or Policy Framework, this must be referred to the Council as a whole to decide.

Overview and Scrutiny

The Council has three Overview and Scrutiny Committees that support the work of the Cabinet and the Council as a whole. These Committees may hold public inquiries into matters of local concern leading to reports and recommendations to advise the Cabinet and the Council as a whole on policies, budget and service delivery. The Overview and Scrutiny Committees also monitor the decisions of the Cabinet and a decision that has been made by the Cabinet but not yet implemented can be "called-in". This enables the decision to be further considered. They may also be consulted by the Cabinet or the Council on forthcoming decisions and the development of policy.

The Council's Staff

The Council's staff (called 'officers') give advice, implement decisions and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely.

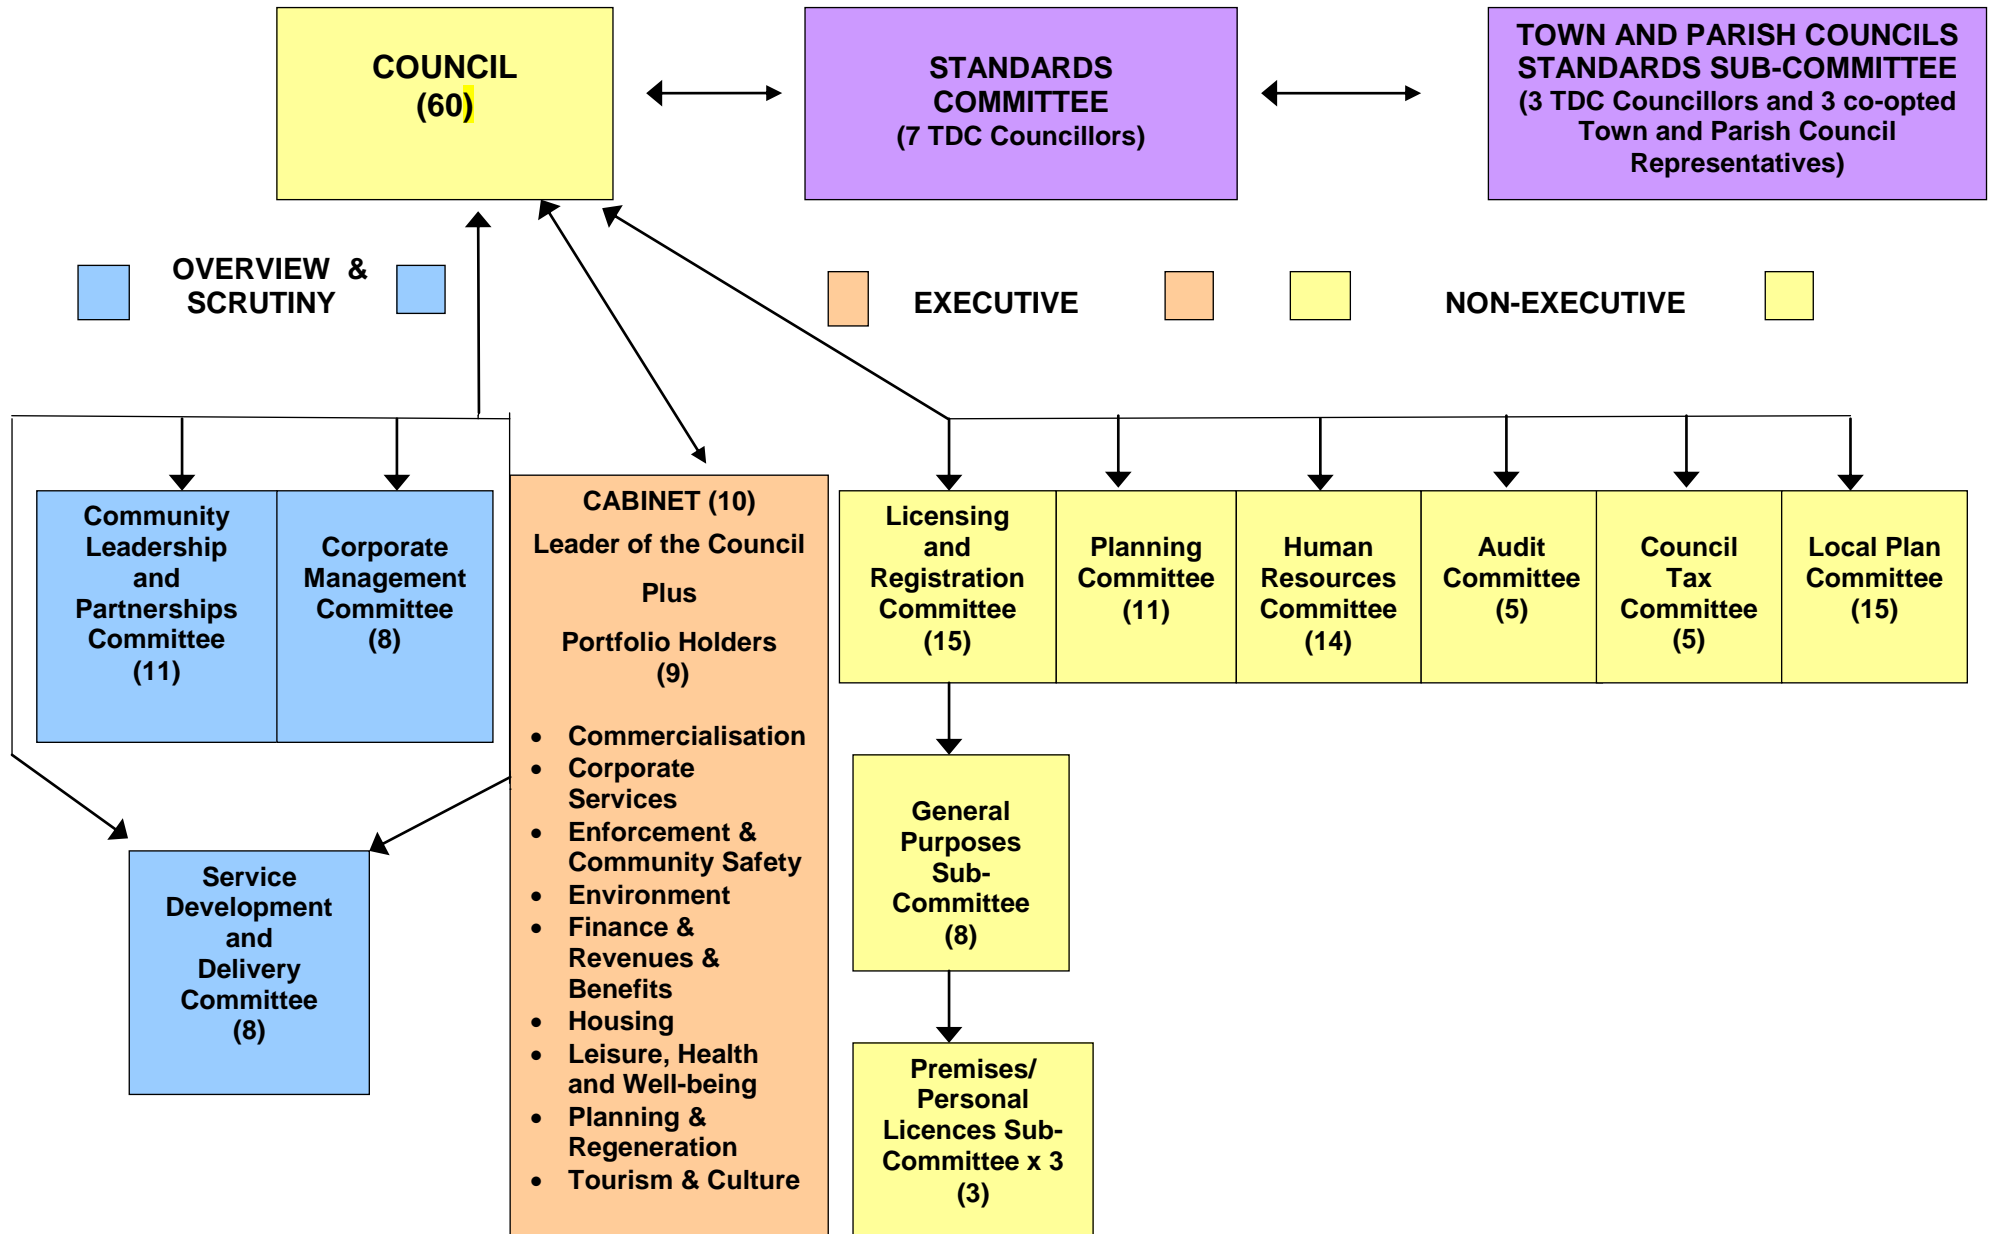

Citizens' Rights

Citizens have a number of rights in their dealings with the Council, which are set out in more detail in Article 3. Some of these are legal rights and others depend on the Council's own processes.

Where members of the public use specific Council services, for example as a Council Tenant, they have additional rights which are not covered in this Constitution.

The Council welcomes participation by its citizens in its work.

EXPLANATORY NOTE

(This note is not part of the Regulations)

Part II of the Local Government Act 2000 provides for the discharge of a local authority's functions by an executive of the authority (which must take one of the forms specified in section 11(2) to (5) of the Act), unless those functions are specified as functions that are not to be the responsibility of the authority's executive.

These Regulations specify functions that are not to be the responsibility of an authority's executive or are to be the responsibility of such an executive only to a limited extent or only in specified circumstances.

Regulation 2(1) of these Regulations provides that the functions listed in Schedule 1 ("Schedule 1 functions") are not to be the responsibility of an authority's executive.

Regulation 2(2) provides that the function of imposing conditions, limitations, restrictions or other terms on any approval, consent, licence, permission or registration granted in the exercise of Schedule 1 functions, or functions under a local Act (unless in that case the approval, consent, licence, permission or registration was granted by an authority's executive), is not to be the responsibility of an authority's executive

Regulation 2(3) provides that the function of determining whether, and in what manner, to enforce contraventions of approvals, consents, licences, permissions or registrations granted in the exercise of Schedule 1 functions, or functions under a local Act (unless in that case the approval, consent, licence, permission or registration was granted by an authority's executive), is not to be the responsibility of an authority's executive. It also provides that the function of determining whether, and in what manner, to enforce other contraventions, in relation to matters for which an approval, consent, licence, permission or registration should have been sought, is not to be the responsibility of an authority's executive where the approval, consent, licence, permission or registration could have been granted in the exercise of Schedule 1 functions.

Regulation 2(4) provides that the function of amending, modifying, varying or revoking any approval, consent, licence, permission or registration to which regulation 2(2) applies is not to be the responsibility of an authority's executive.

Regulation 2(5) provides that the function of making any scheme authorised or required by regulations under section 18 of the Local Government and Housing Act 1989 (schemes for basic, attendance and special responsibility allowances for local authority members) or of amending, revoking or replacing any such scheme, is not to be the responsibility of an authority's executive.

Regulation 2(6) provides that the functions of determining the amount of various allowances payable to members of local authorities under the Local Government Act 1972 ("the 1972 Act"), the rates at which certain payments under that Act by way of allowances are to be made, the amounts payable under schemes under section 18 of the Local Government and Housing Act 1989 and the rates of payments under such schemes, are not to be the responsibility of an authority's executive. It also provides that the function of determining whether a charge should be made for any approval consent, licence, permit or registration granted or issued in the exercise of Schedule 1 functions, and the amount of any such charge, are not to be the responsibility of an authority's executive.

The effect of regulation 2(7) is to prevent an authority from arranging for the discharge of the functions specified in regulation 2(5) or (6)(a) to (c) by a committee, sub-committee or officer. (Other functions referred to in regulation 2 which are not the responsibility of an authority's executive may be discharged by a committee, sub-committee or officer of the authority under arrangements under section 101 of the 1972 Act.)

Regulation 2(8) provides, within one exception, that the making of arrangements for the discharge of functions under section 101(5) of the 1972 Act and the appointment of committees under section 102 of the 1972 Act is not to be the responsibility of an authority's executive. The exception relates to provision made in regulations under section 20 of the Local Government Act 2000, which may allow the executive of an authority to make appointments under section 102 of the 1972 Act.

Regulation 2(9) and (10) makes special provision in relation to York City Council's functions relating to the management of the Yorkshire Museum and Gardens and to South Lakeland District Council's functions relating to the management of land at Lake Windermere. None of the functions referred to in those paragraphs is to be the responsibility of the relevant Council's executive.

Regulation 2(11) and (12) precludes an authority's executive from discharging functions which, in accordance with any public or local Act, or any subordinate legislation, must be discharged by the authority themselves, unless the discharge of the function by the executive is authorised by any other provision of these Regulations.

Regulation 3(1) provides that the functions mentioned in Schedule 2 may be (but need not be) the responsibility of an authority's executive.

Regulation 3(2) provides that Hastings Borough Council's functions relating to the management of the Hastings and Saint Leonard's Museum may be (but need not be) the responsibility of an authority's executive, and paragraphs (3) and (4) of that regulation make consequential and supplementary provision where those functions are the responsibility of the Council's executive.

Paragraphs (1) to (3) of regulation 4 allocate responsibility for various aspects of functions relating to the formulation and preparation of plans and strategies of the descriptions specified in Schedule 3 between an authority and their executive. They also apply to other plans and strategies whose adoption or approval is a matter for determination by the authority themselves in accordance with regulation 5(1). Paragraph (4) of regulation (4) allocates responsibility for the amendment, modification, variation or revocation of the plans and strategies specified in Schedule 3. Paragraphs (5) to (7) of regulation 4 make similar provision in relation to functions concerned with the disposal of an authority's housing land.

Where an aspect of a function referred to in paragraph (1), (4) or (5) of regulation 4 is not to be the responsibility of an authority's executive, paragraph (8) of that regulation has the effect that the authority may not arrange for it to be discharged by any of their committees, sub-committees or officers

Paragraphs (9) to (11) of regulation 4 allocate responsibility for various aspects of functions relating to council tax, precepts and other calculations under the Local Government Finance Act 1992. To the extent that the function relates to the preparation and revision of estimates and other amounts for consideration by an authority it is to be the responsibility of an authority's executive. Other aspects of the function, such as the setting of an amount of council tax for a financial year, are to be the responsibility of the authority.

Regulation 5(1) and Schedule 4 specify the circumstances in which certain functions, that would otherwise be the responsibility of an authority's executive, are not to be the responsibility of such an executive. The circumstances are listed in column (2) of Schedule 4, and the functions to which

they relate are listed in column (1). An exception is provided in regulation 5(2) for certain determinations that need to be made as a matter of urgency. In those cases, the determination can be made by the authority's executive only with the prior written agreement of a chairman of a relevant overview and scrutiny committee (defined in regulation 5(3)) or, in specified circumstances, of the chairman or vice-chairman of the authority. Regulation 5(4) requires the individual or body by whom the determination is made to submit a report to the authority of the action taken.

The effect of regulation 5(5) is to prevent an authority from arranging for the discharge by a committee, sub-committee or officer of functions which, in accordance with regulation 5(1), are the responsibility of the authority.

The Council will be required to re-consider its decision and to take into account the revised proposals, the Cabinet’s reasons for any amendments made to the proposals, any disagreement that the Cabinet has with any of the Council’s objections and the Cabinet’s reasons for any such disagreement.

The Council may by a simple majority of votes cast at the meeting:-

- (i) confirm its original decision; or
 - (ii) adopt (with or without modification) the original proposal or, if there is one, the revised proposal; or
 - (iii) amend the original proposal or, if there is one, the required proposal; or

4 Submission of Budget Proposals before 8th February

In the event of the Cabinet Submitting their firm proposals for the budget to Council before 8 February in any financial year and the Council has any objections to those proposals, the actions set out in Schedule 2 of the Local Authorities (Standing Orders) (England) Regulations 2001 shall be followed.

5 Decisions outside the Budget or Policy Framework

- (a) Subject to the provisions of Rule 3(l) the Cabinet, individual members of the Cabinet and any officers discharging Cabinet functions may only take decisions which are in line with the budget and Policy Framework. If any of these bodies or persons wishes to make a decision which is contrary to the Policy Framework, or contrary to or not wholly in accordance with the budget approved by full Council, then that decision may only be taken by the Council, subject to Rule 6.

- (b) If the Cabinet, individual members of the Cabinet and any Officers discharging Cabinet functions want to make such a decision, they shall take advice from the Monitoring Officer and / or the Chief Financial Officer as to whether the decision they want to make would be contrary to the Policy Framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those Officers is that the decision would not be in line with the existing budget and / or Policy Framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in Rule 6 shall apply.

6 Urgent Decisions outside the Budget or Policy Framework

- (a) The Cabinet, an individual member of the Cabinet or officers discharging Cabinet functions may take a decision which is contrary to the Council's Policy Framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken:
 - (i) If it is not practical to convene a quorate meeting of the full Council; and
 - (ii) If the Chairman of the relevant Overview and Scrutiny Committee agrees that the decision is a matter of urgency.

The reasons why it is not practical to convene a quorate meeting of full Council and the Chairman of the relevant Overview and Scrutiny Committee's consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the Chairman of that Overview and Scrutiny Committee, the consent of the Vice-Chairman of that Overview and Scrutiny Committee will suffice. In their absence the Chairman of the Council's consent will suffice, and in their absence of the consent of the Vice-Chairman of the Council.

- (b) Following the decision, the Leader will provide a full report to the next practicable ordinary meeting of Council explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

7 Virement

The Council's budget can only be varied by the Council except as provided for in the Financial Procedure Rules. These rules make provision for:

- (a) Virements – the transfer of sums between budgetary heads
- (b) Supplementary Estimates – the provision from reserves or from a specific provision of sums to increase the overall budget or the approval or negative Supplementary Estimates for the specific purpose of reducing the Council's net expenditure.

These rules specify the limits and procedures governing approval of these budget variations and may be varied from time to time by the Council to meet changing service and portfolio operational needs.

8 In-Year Changes to Policy Framework

The responsibility for agreeing the budget and Policy Framework lies with the Council, and decisions by the Cabinet, an individual member of the Cabinet or Officers discharging Cabinet functions must be in line with it. No changes to any plan or strategy that make up the Policy Framework may be made by those bodies or individuals except those:

- (a) which will result in the closure or discontinuance of a service or part of service to meet a budgetary constraint; or
- (b) necessary to ensure compliance with the law, ministerial direction or government guidance; or
- (c) in relation to the Policy Framework in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration; or
- (d) relating to aspects of any plan or strategy where full Council has delegated to the Cabinet the ability to vary.

9 Call-in of Decisions outside the Budget or Policy Framework

- (a) Where an Overview and Scrutiny Committee is of the opinion that either a proposed decision or a decision which has been called-in under the Overview and Scrutiny Procedure Rules is or would be, contrary to the Council's Budget and Policy Framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the Monitoring Officer and / or Chief Financial Officer.
- (b) The Call-in procedures set out in Rules 13 and 17 of the Overview and Scrutiny Procedure Rules must be adhered to.
- (c) If, having had regard to the advice of the Monitoring Officer and/or Chief Financial Officer, which will be summarised within the Report, the Overview and Scrutiny Committee considers the decision is contrary to the Budget or Policy Framework; the Committee may refer the matter to the next practicable meeting of the Council, subject to the provisions of Council Procedure Rules.
- (d) Council will receive a written report of the decision or proposals and the advice of the Monitoring Officer and / or the Chief Financial Officer. The Council may either:
 - (i) endorse a decision or proposal of the Cabinet decision taker as falling within the existing Budget and Policy Framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all Councillors in the normal way; or

Part 5 – RULES OF PROCEDURE

BUDGET AND POLICY FRAMEWORK PROCEDURE RULES

this case, no further action is required save that the decision of the Council be minuted and circulated to all Councillors in the normal way; or

- (iii) where the Council accepts that the decision or proposal is contrary to the Policy Framework or contrary to or not wholly in accordance with the budget, and does not amend the existing framework to accommodate it, require the Cabinet to reconsider the matter in accordance with the advice of either the Monitoring Officer / Chief Financial Officer.

OVERVIEW AND SCRUTINY PROCEDURE RULES

1 OVERVIEW AND SCRUTINY COMMITTEES

The Council will have three Overview and Scrutiny Committees (“the Committees”), which together will perform all overview and scrutiny functions on behalf of the Council. They will each consist of eleven members, who will be appointed by the full Council at its annual meeting. Their terms of reference and functions will be as set out in Article 6.

2 MEMBERSHIP

All Councillors except Cabinet members may be members of the Overview and Scrutiny Committees. However, no Member may be involved in scrutinising a decision in which they have been directly involved in making.

3 CO-OPTED MEMBERS (WITHOUT VOTING RIGHTS)

Each Overview and Scrutiny Committee shall be entitled to appoint people as Co-opted Members (without voting rights) as considered appropriate to enable them to perform their overview and scrutiny functions. The duration of the appointment will be determined by the Committee. In addition, the Council may determine which groups or bodies should be represented on a particular Committee by Co-opted Members (without voting rights).

4 MEETINGS OF THE COMMITTEES

There will usually be at least six ordinary meetings of the Committees in each year. In addition, extraordinary meetings may be called from time to time as and when appropriate. An Overview and Scrutiny Committee meeting may be called by the Chairman of the relevant Committee, or by the Committee Services Manager, if considered necessary or appropriate.

5 QUORUM

The quorum for the Committees shall be as set out in Part 4.

6 CHAIRMEN

The Chairmen of the Committees shall be appointed as set out in Part 4.

The Chairmen of the Overview and Scrutiny Committees will meet with the Committee Services Manager and appropriate Heads of Service or relevant officer to co-ordinate the

OVERVIEW AND SCRUTINY PROCEDURE RULES

business of the relevant Committees and determine which Committee will assume responsibility for any particular issue.

7 WORK PROGRAMME

Each Overview and Scrutiny Committee will submit a work programme for the year ahead and a review of the previous year's activities to the Annual Meeting of the full Council for approval. In addition, it will be responsible for co-ordinating and prioritising its work programme on an ongoing basis.

In preparing, co-ordinating and prioritising its programme, each Overview and Scrutiny Committee will take into account: -

- the planned work on the preparation of elements of the Budget and Policy Framework as set out in the Council's Business Plan;
- the need for statutory timetables to be met;
- the wishes of all members of the committee;
- requests from the Cabinet to carry out reviews; and
- requests from Group Leaders in accordance with Rule 8.

8 AGENDA ITEMS

Any member of an Overview and Scrutiny Committee shall be entitled to give notice to the Committee Services Manager that they wish an item relevant to the terms of reference and the functions of the Committee to be included on the agenda for the next meeting of that Committee. Such notice must be given by delivering it, in writing (or by personal e-mail) to the Committee Services Manager no later than midday seven working days before the day of the meeting. On receipt of such a notice the Committee Services Manager will ensure that the item is included on the agenda.

Any such request by Members will be considered at the next available meeting where the Committee will decide if the item should form part of the work programme.

The Leader of any political group may request that an item be included on the Overview and Scrutiny work programme. The relevant Overview and Scrutiny Committee will consider the request on the agenda and determine at its meeting, whether the item is appropriate for inclusion in the work programme.

The relevant Overview and Scrutiny Committee will respond, as soon as their work programme permits, to requests from the Council and if it considers appropriate, the Cabinet to review particular areas of Council activity. Such referrals will be accompanied by Council/Cabinet's view on the matter under consideration to assist the relevant Overview and Scrutiny in effective investigation of the matter. Where they do so, the relevant Overview and Scrutiny Committee shall report their findings and any recommendations

back to the Cabinet and/or Council. The Council and/or Cabinet shall consider the report at its following meeting.

9 COUNCILLORS CALL FOR ACTION

The Councillor Call for Action (CCfA) is an additional means for Councillors to raise issues of local community concern, for consideration by the Council's overview and scrutiny function, on behalf of residents. A Councillor Call for Action should only be raised where other means of resolving the matter have been exhausted.

- (a) Any Member of the Council may raise a Councillor Call for Action, which should be sent to the Council's Committee Services Manager.
- (b) Once the Councillor Call for Action is received, the matter must be considered by the relevant Overview and Scrutiny Committee, whose terms of reference the matter falls within and they must endeavour to consider the matter within a reasonable timescale. Where the matter falls within the terms of reference of more than one Committee, the Chairmen of the Committees will determine the most appropriate Committee to deal with the matter, except where the matter relates to a crime and disorder issue where all such matters must be considered by the Overview and Scrutiny Committee responsible for crime and disorder matters.
- (c) If a Councillor Call for Action is deemed not to be valid, a letter will be sent to the Member concerned informing them of the reasons for this. Where the issue has been deemed not to be valid because other methods of resolution have not been exhausted, the Call for Action may be re-submitted, if necessary, once the Councillor concerned has pursued the matter further.

 - (i) that the investigation be conducted fairly and all members of the Committee be given the opportunity to ask questions of attendees, and to contribute and speak;

 - (iii) that the investigation be conducted so as to maximise the efficiency of the investigation or analysis.
- (c) Following any investigation or review, the Committee shall prepare a report, for submission to the Cabinet and/or Council as appropriate and shall make its report and findings public.

11 POLICY REVIEW AND DEVELOPMENT

- (c) Each Overview and Scrutiny Committee where relevant to their terms of reference, may, as resources permit, hold enquiries and investigate the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.

12 REPORTS FROM AN OVERVIEW AND SCRUTINY COMMITTEE

- (a) Specific evidence based recommendations on proposals for development from an Overview and Scrutiny Committee will be submitted by way of a formal report for consideration by Cabinet. If the proposals would involve a change to the existing Budget and/or Policy Framework, the Cabinet will consider the matter and make a recommendation to Full Council. The report will be drafted by Officers and agreed by the relevant Chairman in respect of the proposals from the relevant Overview and Scrutiny Committee.

OVERVIEW AND SCRUTINY PROCEDURE RULES

- (b) If an Overview and Scrutiny Committee cannot agree on one single final report to the Cabinet or Council, the report may refer to the contrary views of a Member, if the Member concerned specifically requests this.
- (c) The Cabinet shall consider the report from the relevant Overview and Scrutiny Committee at the next meeting of the Cabinet for which the agenda has not yet been published.
- (d) In addition to making recommendations on specific proposals for development, the Overview and Scrutiny Committees may make more general comments/suggestions regarding matters they have considered, which they would like the relevant Cabinet Member to consider and take appropriate action. In such instances, a copy of the relevant minute will be sent to the Cabinet Member.
- (e) Where specific evidence-based recommendations on proposals for development from the Overview and Scrutiny Committees relate to matters that are the responsibility of Partner Authorities and organisations, notice in writing by way of a formal report will be provided to the relevant Partner Authority or organisation requiring them to have regard to the recommendations. The Partner or organisation will be requested to respond to the relevant Committee within two calendar months setting out action, if any, that is to be taken in response to the recommendations.
- (f) On occasions, matters may be referred to Overview and Scrutiny from Council. On such occasions, the Chairman of the relevant Overview and Scrutiny Committee will respond to the request, be this via an Overview and Scrutiny Committee or a Task and Finish Review Group. Upon concluding the necessary work, the matter and any recommendations made by Overview and Scrutiny will be referred to the Cabinet for consideration. The matter, along with the recommendations of Overview and Scrutiny, and any comments or recommendations of the Cabinet shall be referred back to Full Council for consideration.

13 SCRUTINY OF PROPOSED DECISIONS

The Overview and Scrutiny Committees will, at their ordinary meetings, review the new and/or amended items relevant to their terms of reference contained in the latest forward plan. If they wish to enquire into any forthcoming decisions, such an enquiry might consist of questioning members of the Cabinet and Officers, and seeking the views of local stakeholders and/or other interested parties. The Cabinet will take into account any recommendations expressed by the relevant Overview and Scrutiny Committees when determining the final decision and record their response within any report and/or decision.

Matters may only be raised on the forward plan at Committee meetings where the Member has notified the Committee Services Manager in writing (or by personal email) of the question they wish to ask, no later than midday, seven working days before the day of the meeting.

OVERVIEW AND SCRUTINY PROCEDURE RULES

14 RIGHTS OF COMMITTEE MEMBERS TO DOCUMENTS

- (a) In addition to their rights as Councillors, members of the Overview and Scrutiny Committees in fulfilling their functions have the right to documents, and as provided for in the Access to Information Procedure Rules (the Regulations).

The Regulations include the following rights of Members of Overview and Scrutiny Committees (Upon Request):

- The Cabinet must make available any material relating to business in respect of past decisions (and within 10 days);
 - Exempt information where this relates to an action or decision that the Member is scrutinising or to any review in a relevant Overview and Scrutiny Committee's work programme (Such Members are not entitled to any exempt material which contains advice provided by a political adviser or assistant); and
 - If Cabinet refuses, it must set out reasons for doing so, in writing.
- (b) Nothing in this paragraph prevents more detailed liaison between the Cabinet and any Committee as appropriate.

15 MEMBERS AND OFFICERS GIVING ACCOUNT

- (a) It shall be for each Corporate Director to determine which Officers attend to provide advice to Overview and Scrutiny Committees, subject to each Committee being able to supplement this as thought necessary through (b), (c) and (d) below:
- (b) Any Overview and Scrutiny Committee may scrutinise and review decisions made or action taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the Overview and Scrutiny role, it may require any Cabinet Member, or any Senior Officer to attend before it to explain in relation to matters within their remit:
- (i) any particular decision or series of decisions (excluding decisions made by Planning, Licensing, Audit or Standards Committee); and/or
 - (ii) the extent to which the actions taken implement Council policy.
- (c) Where any Cabinet Member or Senior Officer is required to attend a meeting of the relevant Overview and Scrutiny Committee, at least seven working days notice of the meeting at which they are required to attend shall be given. The notice will state the nature of the item on which they are required to attend to give account and whether any papers are required to be produced for the relevant Committee. Where the account to be given to the Committee will require the production of a report, then the Member or Officer concerned will be given sufficient notice to allow for preparation of that documentation.
- (d) Where, in exceptional circumstances, the Cabinet Member or Senior Officer is unable to attend on the required date, the Chairman of the relevant Committee, shall, in consultation with the Member or Officer, arrange a substitute or an alternative date for attendance.

OVERVIEW AND SCRUTINY PROCEDURE RULES

- (e) Participation by any Cabinet Member(s) in the general debate of the Overview and Scrutiny Committees will be at the discretion of the relevant Chairman (this rule does not apply when the Committee is considering a call-in).

16 ATTENDANCE BY OTHERS

Each Overview and Scrutiny Committee may, in so far as it relates to matters within their terms of reference, invite people other than those referred to in paragraph 15 above to address them, discuss issues of local concern and / or answer questions. It may for example wish to hear from residents, stakeholders and Members and Officers in other parts of the public sector and may invite such people to attend. Attendance by those invited is entirely optional but encouraged in the spirit of partnership working and community engagement.

17 CALL-IN

When a decision is made by the Cabinet, or an individual member of the Cabinet, the decision is published, normally within five working days of being made. The Chairman of the relevant Overview and Scrutiny Committee will be sent copies of the records of all such decisions within the same timescale, by the person responsible for publishing the decision. Decisions will also be sent to all Members.

That notice will include date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of five working days after the publication of the decision, unless the decision is called-in.

- (a) The rules applying to call-in are:
 - (i) All executive decisions taken at Cabinet meetings, or by individual Cabinet Members or by Officers, may be called-in, subject to the exceptions outlined in Procedure Rule 18;
 - (ii) Prior to holding a call-in, all Members of the Council are expected to attempt to resolve the matter through informal mediation, together with the relevant Cabinet Member and/or the Leader of the Council, if appropriate to do so;
 - (iii) The Committee Services Manager, will process call-in notices received from:
 - a. The Chairman of the relevant Overview and Scrutiny Committee; or
 - b. Three Non-Cabinet Members of the Council.

All valid call-in notices will be referred to the relevant Overview and Scrutiny Committee for determination and the decision-maker will be notified of the call-in.

- (iv) A notice of call-in must be made on the appropriate prescribed form or email (so long as the email addresses the relevant information required) and must be

OVERVIEW AND SCRUTINY PROCEDURE RULES

received within five working days of the date of publication of the decision. Use of the prescribed form is encouraged, and should be completed in full, with reference to the criteria for submitting call-in requests and stating the reasons why the issue needs to be scrutinised.

- (v) Only Cabinet decisions (including decisions by individual Cabinet Members) are eligible for call-in. Individual decisions taken by non-Cabinet and Committees (such as planning and licensing) cannot be the subject of call-in; and
 - (vi) Any decision can only be called-in once.
- (b) Those seeking to call-in a decision shall be required to state their reasons, in accordance with the criteria set, in the call-in notice form based on one or more of the following seven assessment criteria. These seven criteria are as follows:
- (i) The decision-maker has failed to consult relevant people, or bodies, in contravention of defined Council policies or procedures.
 - (ii) The decision is contrary to the Council's Budget or Policy Framework.
 - (iii) The decision is inconsistent with a Council policy.
 - (iv) The decision-maker did not take into account relevant considerations or other material factors and therefore, the decision is unreasonable.
 - (v) The decision is contrary to a previously agreed decision made in Full Council, which has not been superseded by a subsequent decision.
 - (vi) The decision is inconsistent with a previous Overview and Scrutiny recommendation that has been accepted by the Cabinet or Council and that recommendation has not been superseded by a subsequent decision.
 - (vii) The decision was not taken in accordance with the principles set out in Article 13 (Decision-Making) of the Constitution.

Those seeking to call-in a decision shall state when providing their reasons in the call-in notice, confirmation whether they wish to enter into informal mediation with the relevant Cabinet Member and if so, what element of the decision and/or further information would they wish to discuss as part of the mediation. Once those seeking the call-in have provided this information, the relevant Cabinet Member must respond and confirm whether they wish to engage with the mediation process. Upon confirmation that parties wish to mediate, Committee Services will set up an informal mediation, at which an Officer can attend to assist with providing or clarifying any information and to record the outcome of the mediation discussion.

- (c) The submission of a call-in notice shall have the effect of suspending the implementation of the decision pending consideration of the matter by the relevant Overview and Scrutiny Committee, who must meet to consider the matter within 15 working days from the day following receipt of the call-in notice.

OVERVIEW AND SCRUTINY PROCEDURE RULES

If the relevant Committee does not meet within this period, the decision shall take effect on the expiry of the 15 working day period. The Chairman of the relevant Overview and Scrutiny Committee is under an obligation to ensure that the meeting is held within 15 days.

- (d) At the meeting to consider the call-in notice, the Overview and Scrutiny Committee shall limit its consideration to the reasons stated in the call-in notice.
- (i) The layout of the meeting will provide separate tables for both the callers-in and the relevant Cabinet Member to sit at for the item of the call-in.
- (ii) Stage One of the meeting – the Councillor(s) requesting the call-in shall attend and explain their objections to the decision and the reasons for the call-in against the stated criteria.
- (iii) Stage Two – the decision-maker (relevant Cabinet Member) shall establish the reasons behind the decision and can determine whether it should be referred back to the decision-maker for reconsideration.
- (iv) Stage Three – Questions can be asked by:
- a. The callers-in;
 - b. The relevant Cabinet Member; and
 - c. The Committee.

All questions will be at the discretion of the Chairman, taking account of relevance to the subject matter.

- (e) It should be noted that, although a decision may be deemed to meet the criteria for call-in, this does not automatically mean the matter should be referred back to the decision-maker. There may be compelling reasons for the decision being made and all evidence should be heard before determining what action should be taken.
- (f) Both the callers-in and the decision-maker are permitted to stay at the meeting whilst the Committee debates and decides what action to take at the discretion of the relevant Chairman.
- (g) Participation in the general debate will not be permitted but the callers-in and relevant Cabinet Member may answer questions or points of clarification arising through the debate, at the discretion of the relevant Chairman.
- (h) On considering the matter, the Committee will decide whether or not to ask the decision-maker to reconsider its decision.
- (i) If, having had regard to the advice of the Monitoring Officer, which will be summarised within the Report, the Committee considers the executive decision is contrary to the Budget or Policy Framework; the Committee may refer the matter to the next practicable meeting of the Council, subject to the provisions of Council Procedure Rules.

OVERVIEW AND SCRUTINY PROCEDURE RULES

- (j) If the relevant Overview and Scrutiny Committee decides to ask the decision-maker to reconsider their decision, the decision-maker shall be required to do so within 15 working days following the meeting of the relevant Overview and Scrutiny Committee.
- (k) If the Overview and Scrutiny Committee decides that it does not wish to refer the matter back to the decision-maker or to Council, the decision shall be confirmed and take effect immediately following the meeting of the Committee.
- (l) If the matter is referred to Council, who do not object to the decision, the subject of call-in, no further action is necessary and the decision will be effective on the date of the Council meeting. If Council does object, it only has authority to make decisions where it is considered contrary to the Policy and Budget Framework. The Council must refer any decision relating to Cabinet Functions, to which it objects, back to the decision-maker, together with the Council's views on the decision. The decision-maker shall, within a further 15 working days, choose whether to amend the decision or not before reaching a final decision and implementing it.
- (m) **Decisions referred back to the Decision Maker**

The comments and views provided by Council or the relevant Overview and Scrutiny Committee when referring a decision back for reconsideration shall be final and no further representations shall be made to the decision-maker.

The decision-maker will send a report to the relevant Overview and Scrutiny Committee, once a decision has been reconsidered, and that report should include the reason why the decision-maker has either reconfirmed the original decision or why the decision has changed.

18 EXCEPTIONS TO CALL-IN

The call-in procedure set out above shall not apply in respect of Cabinet decisions regarding the following:

(i) Urgent Decisions

A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public interests. The record of the decision, and notice by which it is made public, shall state whether in the opinion of the decision-making person, or body, the decision is an urgent one and why, and therefore not subject to call-in.

The Chairman of the relevant Overview and Scrutiny Committee must agree that the proposed decision is reasonable in all its circumstances and that it should be treated as a matter of urgency. In the absence of the Chairman, the Vice-Chairman's consent shall be required. In the absence of both, the Head of Paid Service or his/her nominee's consent shall be required.

OVERVIEW AND SCRUTINY PROCEDURE RULES

Decisions taken as a matter of urgency must be reported by the Leader to the next practicable ordinary meeting of the Council, together with the reasons for urgency.

(ii) Other Exceptions

(a) 'Provisional' or 'in principle' decisions where the issue is to be referred to an Overview and Scrutiny Committee for comment.

(b) Recommendations from Cabinet to Council.

(c) Decisions by the Cabinet where the issue has been referred to them by the Council or an Overview and Scrutiny Committee for their view or comment shall not be subject to call-in.

(d) Where Full Council has delegated to the Cabinet the ability to approve additional information in respect of the Corporate Plan to ensure that statutory publishing deadlines are met, such decisions shall be construed as urgent for the purposes of Rule 18(i) above. In such circumstances the Chairman of the relevant Committee, or other Chairman or Vice-Chairman so authorised to act in his absence, will only be required to agree that the proposed decision is reasonable in all the circumstances.

(iii) The operation of the provisions relating to call-in and urgency shall be monitored in accordance with Article 15 of this Constitution and a report submitted to Council with proposals for review if necessary.

- (a) Provision of a service consistent with an historic nature and level that is, and has in prior years, been specifically allocated and defined within the ongoing base Budget;

- (b) Any change to a service set out in 1 above where the appropriate authority to the change has been obtained in accordance with delegated powers;
- (c) Otherwise, a scheme that has the necessary approval from Council, Cabinet, Portfolio Holder or Officer in accordance with delegated powers.

6. CHANGES TO BUDGETS AFTER APPROVAL BY COUNCIL

6.1 Supplementary estimates

- 6.1.1** A supplementary estimate will increase the Council's net expenditure and will, if it relates to revenue expenditure, result in a reduction in the Council's reserves. If it relates to capital expenditure it will either increase the Council's use of capital receipts, increase the amount needed to be borrowed or, as in the case of revenue expenditure, reduce the Council's reserves. Therefore a supplementary estimate is needed in all cases of increased overall net expenditure, whether capital or revenue.
- 6.1.2** A supplementary estimate should not normally be considered unless the matter is essential and unavoidable and all other options for applying a virement have been considered.
- 6.1.3** Once the Council Tax for any financial year is set any subsequent increase in items (a) to (d) for that same year will require a supplementary estimate. This does not have to be approved before a commitment is made, if in the opinion of the Chief Financial Officer, the matter is urgent. The Chief Financial Officer shall report any increase in the Council's overall net expenditure to the Cabinet at the earliest opportunity and recommend to Cabinet whether the increased expenditure should be financed by virement or supplementary estimate. If the supplementary estimate is outside the scope of the Cabinet's authority as set out in 5.4.5 below appropriate recommendations will be made to Council.
 - (a) Salaries, wages and pensions increases arising from nationally negotiated decisions, and variations in contributions under the National Insurance and Superannuation Acts;
 - (b) Price increases in connection with continuing contracts for revenue services where, in the opinion of the Chief Financial Officer, such increases are reasonable;
 - (c) Reductions in the amount of income from government, local or public authority sources;
 - (d) Interest rates or other similar financing factors;

(Cream)

6.1.4 No specific supplementary estimate approval is required at any time for the following:

- (a) Expenditure which is being funded entirely by income received under section 106 agreements and held in the section 106 receipts in advance holding account where that expenditure is in accordance with the terms of the section 106 agreement. In these circumstances the Chief Financial Officer must agree the expenditure, and the financing.
- (b) Debt written off for which specific provision was made in the Council's bad debt provision at the end of the previous financial year.
- (c) Expenditure on a specific activity that has previously been approved in accordance with the Council's constitution and for which the funding of that expenditure in future years has been placed in a dedicated earmarked reserve, and the expenditure is to be financed by the use of that reserve. In these circumstances the Chief Financial Officer must agree the expenditure, and the financing.
- (d) For expenditure where the Council receives full funding from an external source for a specified project and there are no additional revenue costs to the Council in either the current financial year or future financial years.

6.1.5 A supplementary estimate can be approved as follows:

- (a) **Finance and Revenues and Benefits Portfolio Holder** may approve a supplementary estimate of any single item (revenue or capital) up to £50,000 subject to a maximum aggregate value of £150,000 for such single items in any one financial year and providing any single supplementary estimate does not cause the total of supplementary estimates approved by the Finance and Revenues and Benefits Portfolio Holder and Cabinet to exceed £1,000,000 for General Fund Services (capital or revenue) (or £1,000,000 in respect of the Housing Revenue Account (capital or revenue) for the financial year concerned.
- (b) **Cabinet** may approve a supplementary estimate of any single item (revenue or capital) up to £500,000 subject to that supplementary estimate not causing the total of supplementary estimates approved by the Cabinet and Finance and Revenues and Benefits Portfolio Holder to exceed £1,000,000 for General Fund Services (capital or revenue) (or £1,000,000 in respect of the Housing Revenue Account (capital or revenue)-for the financial year concerned.
- (c) **Council** may approve a supplementary estimate up to any amount for General Fund or Housing Revenue Account. However Council must be advised if any decision is likely to result in the Council's agreed minimum working balance not being maintained for the current financial year and the length of the Council's approved financial strategy. In the case of the Housing Revenue Account, Council must be advised if any decision is

likely to result in the Revenue Account balance being in deficit over the same period.

- 6.1.6** Where a Head of Department wishes to apply for a supplementary estimate a report shall be made, following consultation with the Chief Financial Officer, to Management Team. Management Team will then make a recommendation where appropriate to the Finance and Revenues and Benefits Portfolio Holder or Cabinet. Cabinet must recommend any request for a supplementary estimate that requires the approval of Council to Council.

6.2 Negative Supplementary Estimates

A negative supplementary estimate (having the effect of reducing an otherwise available budget) with the specific purpose of reducing the Council's net expenditure may be approved based on the same limits set out in 6.1.5 above.

6.3 Virements

- 6.3.1** A virement, unlike a supplementary estimate, will not increase the Council's overall net expenditure. However to ensure that the budget, functions and service levels approved by council are not compromised virements can only be undertaken under the following conditions.

- 6.3.2** Virement rules do not need to be followed in the following circumstances but a scheme will still need to be approved including agreement of what is to be delivered:-

- (a) Where expenditure is being funded entirely by income received under section 106 agreements and that income has been received and accounted for in the current financial year and where that expenditure is in accordance with the terms of the section 106 agreement. In these circumstances the Chief Financial Officer must agree the expenditure, and the financing.
- (b) For expenditure where the Council receives full funding from an external source for a specified project and there are no additional revenue costs to the Council in either the current financial year or future financial years. In these circumstances the Chief Financial Officer must agree the expenditure and the financing.

If there are additional costs to the Council then that expenditure must be financed in accordance with these Financial Procedure Rules

- (c) Subject to the agreement of the Chief Financial Officer:
 - (i) Where a decision requires an amendment to the budgetary analysis within the Council's financial information system in order that the

Council's accounts can properly reflect the financial transactions of that decision.

- (ii) Where the budgetary analysis within the Council's financial information system needs to be amended in order to comply with required accounting standards or to properly reflect the costs of an activity or function.

6.3.3 Virement rules are required to be followed in the following circumstances:

- (a) The transfer of a sum from one estimate to another, which can be within or between services
- (b) Where an expenditure estimate is to be increased and offset by a known increase in an income estimate including fees and charges.
- (c) Where reduced income is to be offset by a sustainable reduction in expenditure.

6.3.4 The conditions for a virement are:

All virements must be made within the terms and limits prescribed in these Financial Procedure Rules (see 6.3.5):

- (a) Subject to (b) to (h) below a Head of Department can apply a virement provided that the department is able to ensure that:
 - (i) Overall, the minimum agreed level of service would still be provided
 - (ii) The net service cost will be contained within the overall approved budget and the Council's overall costs will not be increased
 - (iii) There are no additional budgetary implications in future years
 - (iv) The service being provided is within the Council's approved policy
- (b) All virements between **revenue and capital budgets** must be as set out
- (c) A virement cannot be made where the proposed expenditure or reduction in income relates to an item which has **previously been considered** and been rejected by the Council, the Cabinet or responsible portfolio holder.
- (d) Where a virement is proposed and the expenditure is in respect of an item not provided for within an approved budgeted service level, but can be met by fortuitous savings (such as from a tendering process or against growth items identified in the Financial Strategy / Forecast), such expenditure if in excess of £15,000, shall be referred to Cabinet for

approval. This excludes savings from minor restructuring. In respect of savings against Financial Strategy \ Forecast Growth Items, the limit will apply to the aggregated value of all requested virements from such budgets.

- (e) Cabinet must approve all virements, which are likely to result in a further and/or additional burden on future years' Council tax and revenues.
- (f) Where significant virements are necessary, it is NOT acceptable to disaggregate the total sum into a number of smaller virements so that these smaller sums fall within the rules/limits of these Financial Procedure Rules. The limits will apply to the aggregated value of the transfer to or from any one estimate.

1.1 Before undertaking any procurement, Departments should satisfy themselves that

- The works, goods or services are required and a need can be demonstrated.
- There are no reasonable alternatives e.g. sharing or utilising spare capacity / inventories etc elsewhere within the Council.
- Where relevant, they have considered the requirements of the Public Services (Social Value) Act 2012 and have recorded / evidenced the outcomes against the associated requirements:-
 - ❖ *how what is proposed to be procured might improve the economic, social and environmental well-being of the relevant area.*
 - ❖ *how, in conducting the process of procurement, it might act with a view to securing that improvement.*

Procurement Procedure Rules apply to the procurement of ALL goods, works or services. The Council's approved computerised ordering system will be used for all procurement, except where otherwise detailed within these Procurement Procedure Rules.

Procurement can only take place where budgetary provision is available to fund the goods, works or services required (See Financial Procedure Rules).

Where the Council contracts with a third party (who is not an officer of this Council) to supervise a contract on its behalf, the Corporate Director / Head of Department entering into that contract will be required to ensure that the third party complies with the requirements of these Procurement Procedure Rules.

Where the Council enters into or administers a contract either as an agent, or on behalf of another public body the Council's Procurement Procedure Rules will apply unless written instructions have been received by the Council to the contrary.

These Procurement Procedure Rules will not apply where statute or subordinate legislation prescribes otherwise.

Delegation relating to the engagement of consultancy services is set out separately within the 'Common to All Portfolio Holders' section of the constitution. However, for completeness, Corporate Directors / Heads of Department only have delegated authority for the engagement of Consultancy services or Specialist Professional advice up to the value of £15,000 and procurement rules must be followed. For schemes where fees are expected to exceed £15,000 consultation with the Portfolio Holder or Committee Chairman is required.

Procurement within the Council is coordinated by Finance and Procurement Services and in all cases where catalogues or other pre-negotiated approaches are not used, then consultation with the Finance and Procurement Service should be undertaken to identify potential alternative options or additional procurement opportunities.

Where building works form part of the procurement, then it is expected that Departments will discuss their requirements with the internal surveyor as appropriate.

1.2 Use of Local Suppliers

All Procurement should be in line with the Council's Procurement Strategy which includes **the recognition of the use of local suppliers and providing a fair basis for them to compete for the provision of goods, works and service required by the Council.**

SECTION 2 – EXEMPTION FROM PROCUREMENT RULES

2.1 Corporate Directors / Heads of Department shall be exempt from the need to obtain competitive quotations / prices where any of the following circumstances apply: -

- (a) The goods or services are procured from an in-house service.
- (b) The goods are proprietary items of which there is only one supplier, or are sold by all suppliers at a fixed price.
- (c) The matter is one of urgency as determined by the appropriate Corporate Director / Head of Department following consultation with the responsible Portfolio Holder or the Leader of the Council.

- (d) The contractor or supplier is specified for works to this Council for which an external client is making payment.
- (d) Where the work is of a specialist nature and the Corporate Director / Head of Department can demonstrate that it is not possible to obtain more than one quotation or tender.
- (e) For the engagement of Counsel by the Head of Governance and Legal Services.
- (f) Where a partnership arrangement has been entered into with a contractor or a supplier as a result of competitive tendering, and the proposed procurement is within or related to the documented scope of that partnership arrangement. In such cases the Corporate Director / Head of Department must be able to demonstrate that the proposed procurement through such a partnership arrangement is advantageous to the Council (e.g. continuity of service or product supply, or extension of existing arrangements). The documentation to be issued will take the form of a contract variation as determined in the partnership contract and/or via the Official Ordering rules or if appropriate the documentation to be issued will be as required by Procurement Procedure Rules for the value of the procurement. *(EU Limits must be observed to ensure no thresholds are exceeded)*
- (g) For purchases made from petty cash.

In all cases where an exemption is applied the Corporate Director / Head of Department shall maintain a record to evidence this.

2.2 Further exemption from Procurement Procedure Rules may be sought where a Head of Department can demonstrate that exemption is justified by special circumstances.

- (a) Where no specific exemption is provided above:
 - Where the value of the contract or procurement is estimated to be less than £50,000 exemption may be granted by the Chief Financial Officer in consultation with the Finance and Transformation Portfolio Holder.
 - Where the total value of the contract, or procurement, is estimated to be between £50,000 and £250,000 the Finance and Revenues and Benefits Portfolio Holder may, on the recommendation of the Chief Financial Officer, grant exemption. In such cases a formal Portfolio Holder decision must be made.
 - Where the total contract, or procurement, is estimated to exceed £250,000, the Cabinet, or a Committee may, on the recommendation of the Chief Financial Officer, grant exemption. In such cases a record of the exemption must be made in the minutes of the Cabinet, or Committee.

2.3 Alternative / Indirect Service Delivery

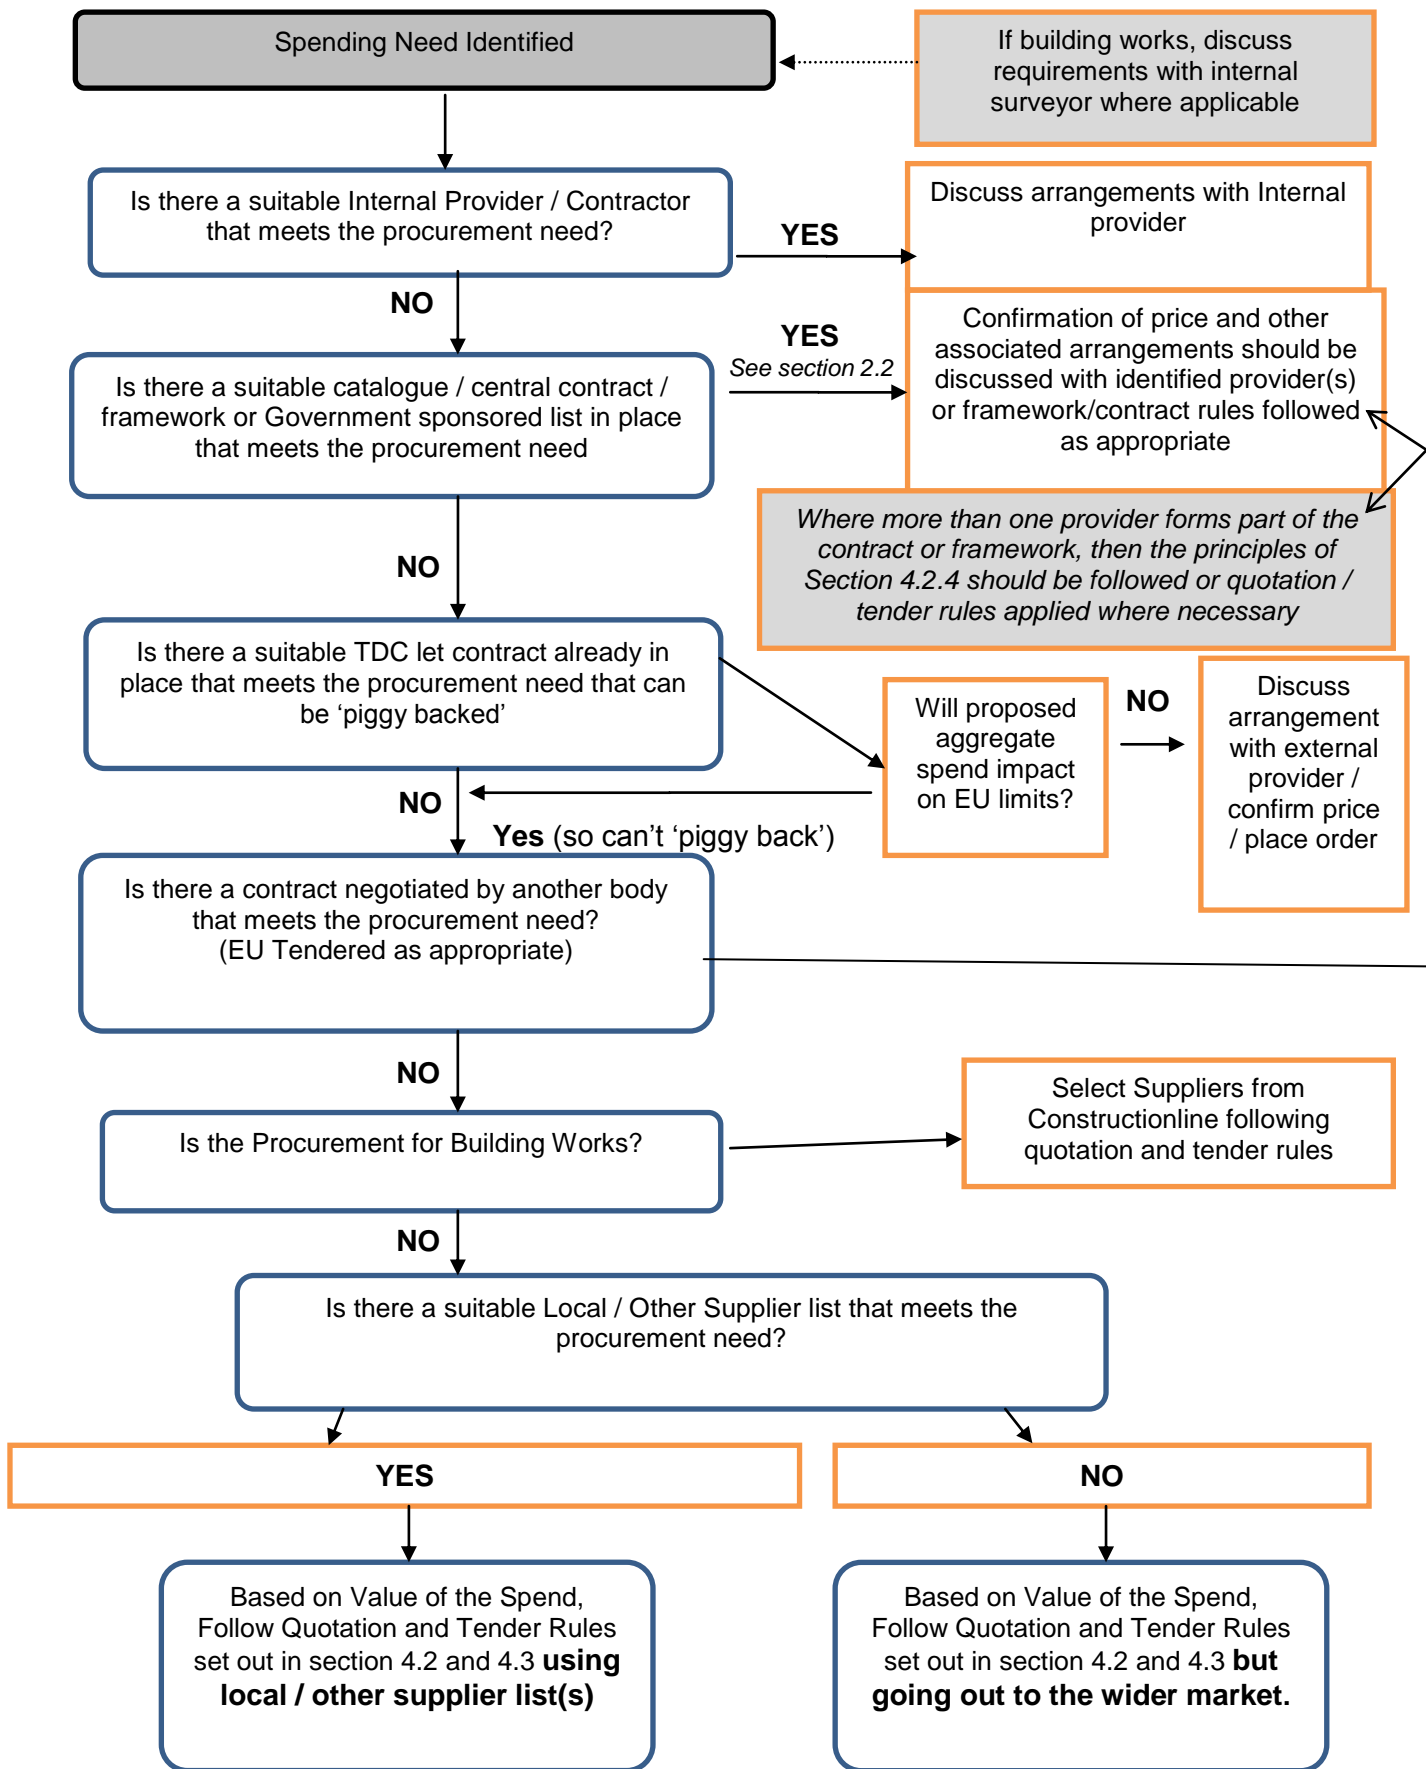

Where the Council seeks to implement alternative delivery options, for whole or parts of services, those procurements will be achieved in accordance with the Council's Procurement Strategy. Such procurements may not necessarily be able to be undertaken within

Procurement Procedure Rules given the number and combination of different procurement routes and processes that may be applicable, but must: -

- (i) Comply with all relevant statutory provisions including European Procurement Directives
- (ii) Follow a documented process determined by the responsible Corporate Director / Head of Department, the Chief Financial Officer and the Head of Governance and Legal Services , and agreed by Management Team and the Cabinet, in advance of the process. The process must demonstrate compliance with the principals of openness and accountability.
- (iii) Be capable of providing clear probity trails, particularly in respect of the opening and evaluation of any associated bids or tenders.
- (iv) Comply with any Procurement Procedure Rules that remain applicable, or offer alternatives that meet the requirements of the Chief Financial Officer and the Head of Governance and Legal Services.

SECTION 3 – THE PROCUREMENT FRAMEWORK

- 3.1** All procurement is expected to follow the following process / framework taking each step in sequence noting that the overall value of procurement is not the initial consideration. Finance and Procurement Services should be consulted at the relevant stage of the process as necessary.

3.2 Central Purchasing

This includes:

- Central Contracts – Where the Council has taken advantage of negotiating with an external provider for the supply of goods, works or services.
- Partnership Agreements – Where the Council has decided to enter into partnership agreements either directly with other public bodies, or as part of a consortium of public bodies, for the procurement of goods, works or services.

Procurement Procedure Rules will be followed to select the supplier / contractor to be used for central contracts or if this Council is undertaking the tendering process to select the supplier / contractor under a partnership approach.

- Specialist call-off contracts – Where contracts have been tendered / negotiated by other public bodies and include the option for other Public Bodies to participate.

If the use of any such contract is not considered to offer Value for Money, then the relevant Corporate Director / Head of Department should consult with Finance and Procurement Services in order to identify the most appropriate / advantageous procurement route.

- (b) Where any procurement spans a number of periods, or years, the total estimated cost will be the cumulative total of all periods, or years covered.
- (c) The use of electronic ‘portals’ or other electronic means must be used to widely advertise goods, works or services required by the Council where appropriate, to ensure equal opportunity between local and non local suppliers.
- (d) Procurement **up to £50,000** (excluding VAT) – **Quotation Rules Apply (Section 4.2).**
- (e) Procurement **over £50,000** (excluding VAT) – **Tender Rules Apply (Section 4.3).**

4.2 **QUOTATIONS** (Procurement up to £50,000 excluding VAT)

After the appropriate procurement route has been identified by following the framework set out in 3.1 above and if appropriate:

4.2.1 Procurement up to £10,000 (excluding VAT)

Where procurement is less than £2,500 then value for money should be demonstrated by obtaining two prices where possible.

Where procurement is in excess of £2,500, the seeking of two prices would be expected, with evidence retained by the department.

4.2.2 Procurement over £10,000, but not expected to exceed £50,000 (excluding VAT)

A minimum of three quotations shall be sought by the department in addition to the production of a documented specification to include:

- (i) Identification of the procurement of goods, works or services required.
- (ii) Identification of any periods over which the goods, works, or services are to be provided. In appropriate cases, provide for the payment of liquidated damages by a contractor where there is a failure to complete the contract within the period(s) specified.

4.2.3 All quotations shall be sought electronically:

The responsible Corporate Director / Head of Department shall arrange for a secure e-mail address to be set up on the Council's e-mail system. Access to this e-mail address must not be available until the time of tender opening. Access to the secure e-mail address shall be controlled by an independent senior member of staff not involved with the project or tender process or a member of the Procurement Service.

Where the lowest quotation received exceeds £50,000 (excluding VAT), Tender Rules shall be followed from that stage as if tenders had been sought.

If the value of the lowest quotation received exceeds the limit of the quotation category applied, then the Corporate Director / Head of Department must seek sufficient further quotations applicable to the level of the value of that lowest quotation.

- 4.2.4** The Corporate Director / Head of Department is under no obligation to accept any of the quotations. However where they are prepared to accept a quotation, the most financially advantageous quotation should be accepted unless other factors such as quality, local supply, performance and deliverability are also considered as part of the selection process. Evidence is expected to be retained to support such decisions where procurement exceeds £10,000.

4.3 TENDERS (Procurement greater than £50,000 excluding VAT)

After the appropriate procurement route has been identified by following the framework set out in 3.1 above and if appropriate:

Where the Council can access a central / framework arrangement, government sponsored list or a contract negotiated by another public body as set out in **SECTION 3.2** above, more than one supplier may be eligible under such arrangements. If this is the case tender documentation should be sent to the relevant parties in accordance with **SECTION 4.3.5**. In all other cases the following process should be undertaken:

SCHEME FOR DEALING WITH PETITIONS

Tendring District Council recognises the importance of petitions as a means of engaging with local communities, enabling the public to air concerns, and as a mechanism for generating service improvements. These pages set out what a petition is, how the public can submit a petition, how it will be dealt with and what the Council can do to respond to the issues raised.

What constitutes a petition?

Any communication which is signed by, or sent to the Council by **more** than 30 of the people who live, work or study within Tendring shall be treated as a petition provided that such communication has a clear message or instruction upon which it would wish the Council to act.

Any communication which is signed by, or sent to the Council by **less** than 30 of the people who live, work or study within Tendring shall not be treated as a petition but, where it relates to a matter for which the Council has responsibility for, it shall be forwarded to the appropriate officer of the Council to acknowledge and advise what action, if any, will be taken.

Signatory Eligibility

The Council is keen to receive feedback from all residents, visitors and from people working or studying in the Tendring area, through various communication channels. However, only those people who are either (a) permanent residents of Tendring or (b) non-residents who can be clearly identified as either working or studying in Tendring can trigger a formal petition response.

There is no legislation supporting the minimum age required for a person to initiate or support a petition. Accordingly, children and young people have the ability to submit a petition as it is deemed they have the same rights and opportunity for their voices to be heard as well as adults. However, it is recognised that in practice, a teacher or parent would oversee the submission of a petition from school children where such children are under 16 years of age.

Whilst the Council welcomes petitions as a means of highlighting concerns within a local area, the lead petitioner has a responsibility to ensure that any petition submitted is done so under the principle of good faith and be decent, honest and respectful.

Information to be included

The Council requests that any petition contains the following:

- A clear and concise statement covering the subject of the petition, the area to which the petition relates and what action the petitioners want the Council to take;
- The contact details for the petition organiser (lead petitioner) so the Council knows who to contact (where a lead petitioner is not identified, the Council shall correspond with the person named first on the petition);
- The name, address, postcode and signature of any person supporting a paper petition (address details will be checked);
- The name, postcode and email address for those persons who sign up to an electronic petition or an e-petition; and

- Date the petition was submitted.

1. How to Submit a Petition to the Council

Petitions can be submitted to the Council in the following ways:

- E-petition – where no end date to an e-petition is specified, the Council shall set this at three months from the date of receipt of the e-petition.
- A traditional paper petition accompanied by a dated covering letter that identifies the key information outlined in this procedure about the purpose of the petition, what action is called for and contact details for the lead petitioner.
- Paper petitions should be sent to **The Committee Services Manager, Tendring District Council, Room 67, Town Hall, Station Road, Clacton-on-Sea, Essex CO15 1SE.**
- By emailing the relevant documentation to democraticservices@tendringdc.gov.uk

2. What happens when a Petition is submitted?

- Each petition will be formally acknowledged to the lead petitioner, in writing, within five working days of its receipt.
- The Council will accept any petition on face value but reserves the right to verify the signatures or investigate further, if deemed necessary. The petition must not be vexatious or frivolous.
- If the issue contained within the petition is not something which the Council would ordinarily consider in public (e.g. a matter relating to the personal or financial affairs of an individual), the lead petitioner will be informed accordingly, explaining the reasons why the petition cannot be accepted under this scheme and where appropriate, referring the petitioner to the relevant department and advising them as to how their views can be expressed via alternative means.
- If the issue contained within the petition does not relate to any functions or responsibilities of the District Council, but does relate to a matter for which Essex County Council or other body or partner is responsible, the petition will be forwarded to that organisation and the lead petitioner advised accordingly.
- Each petition received shall be based on a tiered system whereby:
 - (a) A valid petition containing 30 to 249 signatures from Tendring residents or non-residents who can be clearly identified as either working or studying in Tendring, will be reported to Council for information. It will then be presented at the next meeting of the Cabinet and then, if requested, a report will be brought back to Cabinet for consideration;

SCHEME FOR DEALING WITH PETITIONS

- (b) A valid petition containing 250, or more, signatures from Tendring residents or non-residents who can be clearly identified as either working or studying in Tendring, will be reported to Council to advise that the petition has been received. Once it has been investigated, a report will be prepared and presented with the petition at the next meeting of the Council for consideration.
- (c) The appropriate Ward Member(s) be informed of receipt of a petition and any action to be taken.

Note: Where the subject of a petition requires urgent action (i.e. it cannot wait until the following meeting of the Council) it is proposed that the petition be investigated and a report be presented to the next meeting of the Council.

In the period immediately before an election or referendum the Council may need to deal with petitions differently. If this is the case, the Council will explain the reasons and discuss the revised timescale that will apply

- When a petition is being considered by Cabinet or Council, following investigation and a report being brought back, the lead petitioner will be invited to address the Cabinet or Council, outlining the reasons for the submission of the petition and what action they would like the Council to take. The lead petitioner (or his or her representative) will be given the opportunity to present this information and the petition will then be discussed by Councillors. A Ward Councillor can, at the request of the lead signatory, present the petition to Cabinet or Council on behalf of the relevant petitioners.
- Should two petitions be received on the same issue (one in support and one opposing a course of action) then both lead petitioners will be invited to address Cabinet or Council at the same time.
- The relevant Ward Member(s), Cabinet Member(s) and officers will be informed when a valid petition covering their Wards and areas of responsibility is received and when and how the petition will be considered.
- The lead petitioner will be informed, in writing, of the Cabinet or Council's decision and this information will also be published on the Council's website. If a further meeting is to be held to consider the issues raised in the petition, the lead petitioner will be supplied with the relevant details and be given the opportunity to attend and address the meeting and if appropriate, answer any questions posed at the meeting.

If the details of the complaint are made public, it may be necessary for a statement to be issued by the Monitoring Officer for clarification only.

4. Will your complaint be investigated?

- 4.1 The Monitoring Officer will review every complaint received and, may consult with one of the Independent Persons before taking a decision as to whether the complaint:
- 4.1.1 Merits no further action
 - 4.1.2 Merits early informal resolution or mediation
 - 4.1.3 Merits further investigation.

4.2 In reaching a decision in respect of how to progress the complaint the Monitoring Officer will take account of the following factors where appropriate:-

- Was the Member acting in their official capacity?
- Was the Member in office at the time of the alleged misconduct?
- Is the complaint of a very minor or trivial nature?
- Is the complaint vexatious or malicious?
- Are there historical matters?
- Is there a potential breach of the Code?
- Assessment of public interest?
- Is additional information required prior to making a decision?

4.3 The decision as to how the complaint is to be progressed will normally be taken within 15 working days of receipt of your complaint. Your complaint will be considered in accordance with the Assessment Criteria included at **Annex D (set out at the end of this procedure for reference)**.

Where the Monitoring Officer has taken a decision, you will be informed of the decision and the reasons for that decision. The Monitoring Officer may require additional information in order to come to a decision, and may come back to you for such information. In the absence of a response from you within 15 working days the Monitoring Officer may close the complaint. Information may be requested from the member against whom your complaint is directed to enable the Monitoring Officer to take the decision. In the absence of the subject Member's response within 15 working days the Monitoring Officer may proceed with the complaint.

Where your complaint relates to a Town or Parish Councillor, the Monitoring Officer *may* also inform the Town or Parish Council of your complaint and seek the views of the Town or Parish Council before deciding whether the complaint merits formal investigation.

Any failure to comply with the time scale by the Monitoring Officer or parties concerned will be notified to the Standards Committee or Sub-Committee together with reasons for the delay and the member subject of the complaint and the complainant will be kept informed of progress and reasons for the delay.

4.4 In appropriate cases, the Monitoring Officer may seek to resolve the complaint informally through informal resolution, without the need for a formal investigation. Such informal resolution may involve notifying the Group Leader and the Member accepting that his/her conduct was unacceptable and/or offering an apology, and/or agreeing to mediation and/or other remedial action by the authority. Where the Member or the Authority make a reasonable offer of informal resolution, but you are not willing to accept the offer, the Monitoring Officer will take account of this in deciding whether the complaint merits further investigation.

Where the Member subject of the complaint is the Group Leader, appropriate alternative arrangements will be required for informal resolution or mediation; this will be dependent upon whether the Group has allocated a Deputy to undertake this role, involve the Group Leader directly or an independent individual or suitable alternative, depending upon the circumstances.

4.5 If your complaint identifies criminal conduct or breach of other regulation by any person, the Monitoring Officer has the power and obligation to notify or refer to the Police or other regulatory agencies.

(The Committee and Sub-Committee Terms of Reference are included at **Annex C (set out at the end of this procedure for reference)**).

- 5.1 The Council has adopted a procedure for the investigation of misconduct complaints a summary of which is attached as **Annex E (set out at the end of this procedure for reference)**.

- 5.2 If the Monitoring Officer decides that a complaint merits further investigation without referral to the Standards Committee or Sub-Committee, he/she will commission the investigation to be undertaken by a suitably qualified investigator with requisite experience and may include another officer of the Council, a senior officer of another authority or an appropriately experienced consultant, ensuring that independence and impartiality is maintained.

When deciding that a complaint merits further investigation, the Monitoring Officer may, in exceptional circumstances, refer the matter to the Council's Standards Committee or Sub-Committee, with a recommendation together with any information received from either the complainant or member who is the subject of the complaint. The Committee or Sub-Committee, upon consideration of this recommendation and information, may decide that the complaint merits no further action, conciliation or similar resolution.

- 5.3 The Investigating Officer or Monitoring Officer will decide whether he/she needs to meet you or speak to you to understand the nature of your complaint and so that you can explain your understanding of events and suggest what documents need to be seen and who needs to be interviewed. Any information supplied to the Monitoring Officer or Investigating Officer will be kept confidential within the remit of the investigation and therefore, maybe shared with the parties. It is important to note that if a hearing is required at a later date, and the Standards Committee is convened the information disclosed will be available to the public in accordance with the Access to Information legislation, which the Council has to abide by when conducting meetings.

- 5.4 As referred to in section 3.5, upon receipt of your complaint the member that is the subject of the complaint will ordinarily be informed that you have made a complaint about them and will be provided with details of the complaint. If an investigation is to be undertaken, the Investigating Officer or Monitoring Officer will normally write to the Member against whom you have complained and provide him/her with full details of your complaint, (including your name and address but excluding any additional or sensitive personal information) and formally ask the member to provide his/her explanation of events, and to identify what documents he needs to see and who he needs to interview. In exceptional cases, where it is felt appropriate to continue to keep your identity confidential or where disclosure of details of the complaint to the Member might prejudice the investigation, the Monitoring Officer can delete your name and address from the papers given to the member, or delay providing full details of the complaint to the member until the investigation has progressed sufficiently.

- 5.5 At the end of his/her investigation, the Investigating Officer or Monitoring Officer will produce a draft report ("the Investigation Report") and will, in all cases, send copies of that draft report, in

confidence, to you and to the Member concerned, to give you both an opportunity to identify any matters in that draft report which you disagree with or which you consider requires more consideration.

- 5.6 Having received and taken account of any comments which you, or the Member that is the subject of the complaint, may make on the draft Investigation Report, the report will be finalised. Where an Investigating Officer has been appointed the Investigating Officer will send his/her final report to the Monitoring Officer together with a conclusion as to whether the evidence supports a finding of failure to comply with the Code of Conduct.

6. What happens if the Investigating Officer or Monitoring Officer concludes that there is no evidence of a failure to comply with the Code of Conduct?

- 6.1 If an Investigating Officer has been appointed, the Monitoring Officer will review the Investigating Officer's report and may consult with the Independent Person(s). If he/she is satisfied that the Investigating Officer's report is sufficient, subject to 6.3 below, the Monitoring Officer will write to you and to the member concerned (*and, if appropriate, to the Town and Parish Council, where your complaint relates to a Town or Parish Councillor*), notifying you that he/she is satisfied that no further action is required, and give you both a copy of the Investigation Final Report. The Monitoring Officer will also notify the Standards Committee or Sub-Committee and the relevant Independent Person.
- 6.2 If an Investigating Officer has been appointed and if the Monitoring Officer is not satisfied that the investigation has been conducted properly, he/she may ask the Investigating Officer to reconsider his/her report.
- 6.3 The Monitoring Officer, may at their own discretion and only in exceptional cases, following consultation with the Chief Executive, decide to refer cases to the Committee for determination where the outcome of an investigation was to recommend no breach of the Code of Conduct. Exceptional cases may include but not limited to matters where the evidence is so finely balanced or is in the public interest to do so.

7. What happens if the Investigating Officer or Monitoring Officer concludes that there is evidence of a failure to comply with the Code of Conduct?

- 7.1 If an Investigating Officer has been appointed the Monitoring Officer will review the Investigating Officer's report and will then either refer the matter for a hearing before the Standards Committee or Sub-Committee or in consultation with one of the Independent Persons seek an informal resolution or mediation.

7.1.1 Informal Resolution

The Monitoring Officer may consider that the matter can reasonably be resolved without the need for a hearing. In such a case, he/she will consult with one of the Independent Persons and with you as complainant and seek to agree what you consider to be a fair resolution which also helps to ensure higher standards of conduct for the future. Such resolution may include the Member accepting that his/her conduct was unacceptable and/or offering an apology, and/or mediation and/or other remedial action by the Authority. If the Member complies with the suggested resolution, the Monitoring Officer will report the matter to the Standards Committee or Sub-Committee (*and the Town or Parish Council*) for information, but will take no further action.

7.1.2 Hearing

If the Monitoring Officer considers that informal resolution is not appropriate, or the councillor concerned is not prepared to undertake any proposed remedial action, such as giving an apology, then the Monitoring Officer will report the Investigation Report to the Standards Committee or Sub-Committee which will conduct a hearing before deciding whether the Member has failed to comply with the Code of Conduct and, if so, whether to take any action in respect of the member.

To conduct a hearing, the Standards Committee must be convened and a Committee Agenda and Report is published and available for public and press inspection, however, the Investigators Report will be kept confidential and will remain in Part B, until the day of the hearing to protect the parties.

At the hearing, following the Council's procedures, a copy of which will be provided, the Investigating Officer or the Monitoring Officer will present his/her report, call such witnesses as he/she considers necessary and make representations to substantiate his/her conclusion that the member has failed to comply with the Code of Conduct. For this purpose, the Investigating Officer or Monitoring Officer may ask you as the complainant to attend and give evidence to the Standards Committee or Sub-Committee. The Member will then have an opportunity to give his/her evidence, to call witnesses and to make representations to the Standards Committee or Sub-Committee as to why he/she considers that he/she did not fail to comply with the Code of Conduct.

The Members of the Standards or Sub-Committee, after hearing all the evidence and information, may adjourn the meeting for a short period and deliberate together in private. The hearing will then be reconvened and the Decision will be announced in public. It is expected that this will usually be on the same day.

The Standards Committee or Sub-Committee, with the benefit of any comments or advice from one of the Independent Persons, may conclude that the Member did not fail to comply with the Code of Conduct, and dismiss the complaint. If the decision is contrary to a recommendation from the Investigating Officer and/or Monitoring Officer, detailed reasons will be required to be published in the Decision Notice. The Decision of the Standards Committee or Sub-Committee will also be reported to the next meeting of Full Council.

If the Standards Committee or Sub-Committee concludes that the Member did fail to comply with the Code of Conduct, the Chairman will inform the Member of this finding and the Committee or Sub-Committee will then consider what action, if any, the Committee or Sub-Committee should take as a result of the Member's failure to comply with the Code of Conduct. In doing this, the Committee or Sub-Committee will give the Member an opportunity to make representations and will consult the Independent Person, but will then decide what action, if any, to take in respect of the matter.

8. What action might the Standards Committee or Sub-Committee take where a member has failed to comply with the Code of Conduct?

- 8.1 The Standards Committee or Sub-Committee has the power to take action in respect of individual Members as may be relevant and proportionate, and necessary to promote and maintain high standards of conduct. Accordingly the Standards Committee or Sub-Committee may:-

- 8.1.1 Publish its findings in respect of the Member's conduct on the Council's website;
 - 8.1.2 Report its findings to Council (*or to the Town or Parish Council*) for information;
 - 8.1.3 Recommend to the Member's Group Leader (or in the case of un-grouped members, recommend to Council or to Committee) that he/she be removed from any or all Committees or Sub-Committees of the Council;
 - 8.1.4 Recommend to the Leader of the Council that the Member be removed from the Cabinet, or removed from particular Portfolio responsibilities;
 - 8.1.5 Instruct the Monitoring Officer to (*or recommend that the Town or Parish Council*) arrange training for the member;
 - 8.1.6 Recommend to the relevant Group Leader (or in the case of un-grouped members, recommend to Council or to Committee) that the Member be removed (*or recommend to the Town or Parish Council that the Member be removed*) from all outside appointments to which he/she has been appointed or nominated by the authority (*or by the Town or Parish Council*);
 - 8.1.7 Recommend to relevant Group Leader (or in the case of un-grouped members, recommend to Council or to Committee) the withdrawal of (*or recommend to the Town or Parish Council that it withdraws*) facilities provided to the member by the Council, such as a computer, website and/or email and internet access; or
 - 8.1.8 Recommend to the relevant Group Leader (or in the case of un-grouped members, recommend to Council or to Committee) the exclusion of (*or recommend that the Town or Parish Council exclude*) the Member from the Council's Offices or other premises, with the exception of meeting rooms as necessary for attending Council, Committee and Sub-Committee meetings.
- 8.2 In each circumstance, where the Member subject of the complaint is the Group Leader, appropriate alternative arrangements will be required, this will be dependent upon whether the Group has allocated a Deputy to undertake this role, involve the Group Leader directly or an independent individual or suitable alternative, depending upon the circumstances.
- 8.3 In each circumstance, where the Standards Committee or Sub-Committee recommend the Group Leaders take action, it is expected that the Group Leader will within 6 weeks of the referral to them, or as soon as reasonably practicable thereafter, submit a report back to the Standards Committee or Sub-Committee giving details of the action taken or proposed to comply with the Committee's direction.
- 8.4 The Standards Committee or Sub-Committee has no power to suspend or disqualify the Member or to withdraw Members' special responsibility allowances.

9. What happens at the end of the hearing?

- 9.1 At the end of the hearing, the Chairman will state the decision of the Standards Committee or Sub-Committee as to whether the Member failed to comply with the Code of Conduct and as to any actions which the Committee or Sub-Committee resolves to take.
- 9.2 Within 5 days, the Monitoring Officer shall prepare a formal Decision Notice in consultation with the relevant Chairman of the Standards Committee or Sub-Committee, and send a copy to you and to the Member (*and to the Town or Parish Council if appropriate*), make that Decision Notice available for public inspection and, report the decision to the next convenient meeting of the Council for information.

- 9.3 Should a police investigation result in a Member being convicted of a criminal offence the Monitoring Officer in consultation with an Independent will determine whether it is in the public interest for the matter to be reported to Council for information. In such circumstances the Group Leader will also be consulted and notified of the decision accordingly.

10. Who forms the Standards Committee or Sub-Committee?

- 10.1 The Standards Committee will comprise of 7 District Councillors;
- 10.2 The Standards Town and Parish Sub-Committee will compromise of 3 District Councillors and 3 Town and Parish Councillors (nominated by the Association of Local Councils);
- 10.3 At least one of the three Independent Persons must have been consulted on their views and taken into consideration before the Standards Committee or Sub-Committee takes any decision on whether the member's conduct constitutes a failure to comply with the Code of Conduct and as to any action to be taken following a finding of failure to comply with the Code of Conduct.

11. Who are the Independent Persons?

- 11.1 The Council has appointed three Independent Persons to support the Standards Committee and Sub-Committee.
- 11.2 An Independent Person is a person who has applied for the post following advertisement of a vacancy for the post, and is appointed by a positive vote from a majority of all the members of Council.
- 11.3 Section 28 (8) of the Localism Act 2011 provides the definition and restriction of the Independent Person. The Council has adopted an Independent Person Protocol which sets out some general principles.

12. Revision of these arrangements

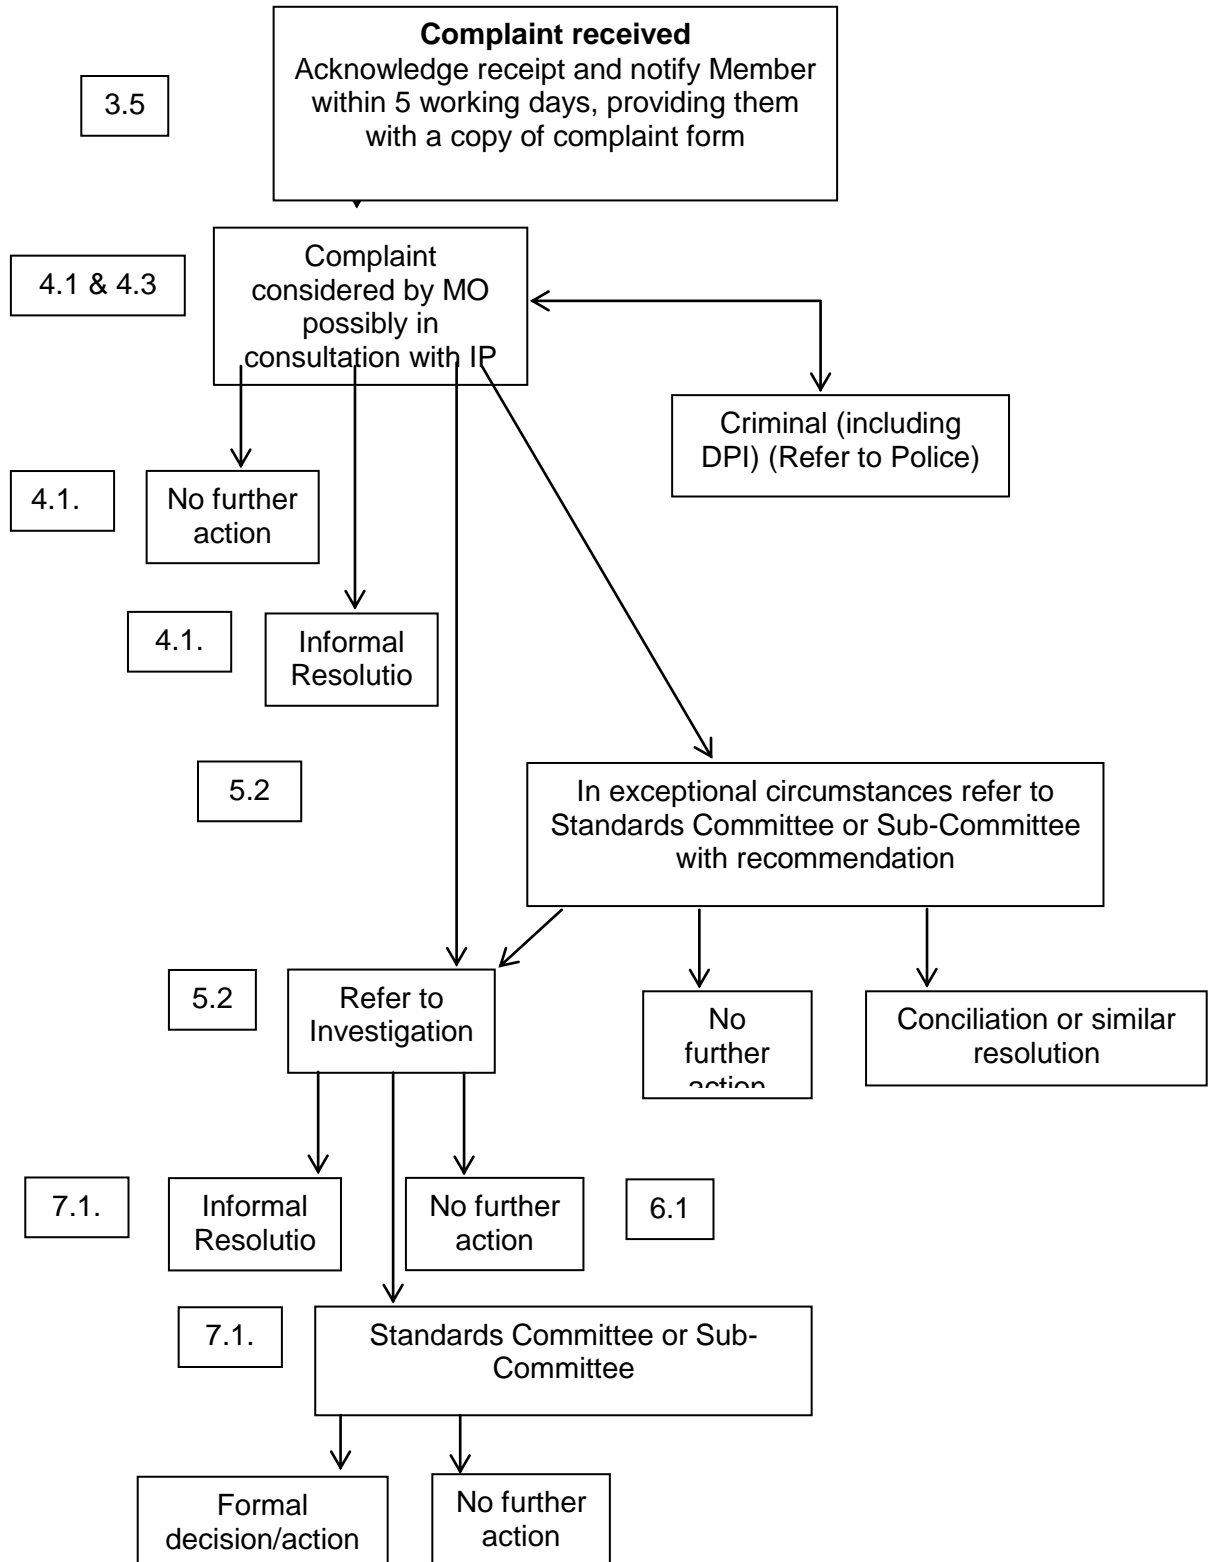

The Council may by resolution agree to amend these arrangements, upon the advice of the Monitoring Officer where it is necessary, fair, proportionate and expedient to do so.

13. Appeals

- 13.1 There is no right of appeal for you as complainant or for the member against a decision of the Monitoring Officer or of the Standards Committee.
- 13.2 If you feel that the authority has failed to deal with your complaint properly, you may make a complaint to the Local Government Ombudsman.

ANNEX B

This Flowchart is to be read in conjunction with the Tendring District Council's Complaints Procedure (Reference is made to the relevant paragraphs of the Procedure in the boxes on the left hand side)

ANNEX D

CONDUCT COMPLAINTS ASSESSMENT CRITERIA

Complaints which would not normally be referred for investigation or to the Standards Committee or Sub-Committee

1. The complaint is not considered sufficiently serious to warrant investigation;
2. The complaint appears to be simply motivated by malice or is “tit-for-tat”;
3. The complaint appears to be politically motivated;
4. It appears that there can be no breach of the Code of Conduct; for example that it relates to the Councillor’s private life or is about dissatisfaction with a Council decision;
5. It is about someone who is no longer a Councillor
6. There is insufficient information available;
7. The complaint has not been received within 3 months of the alleged misconduct unless there are exceptional circumstances, e.g. an allegation of bullying, harassment etc.
8. The matter occurred so long ago that it would be difficult for a fair investigation to be carried out;
9. The same, or similar, complaint has already been investigated and there is nothing further to be gained by seeking the sanctions available to the Standards Committee;
10. It is an anonymous complaint, unless it includes sufficient documentary evidence to show a significant breach of the Code of Conduct; or
11. Where the member complained of has apologised and/or admitted making an error and the matter would not warrant a more serious sanction.

Complaints which may be referred for investigation and/or to the Standards Committee or Sub-Committee

1. It is serious enough, if proven, to justifying the range of sanctions available to the Standards Committee or Sub-Committee; or
2. There are individual acts of minor misconduct which appear to be a part of a continuing pattern of behaviour that is unreasonably disrupting the business of the Council and there is no other avenue left to deal with it other than by way of an investigation; or
3. When the complaint comes from a senior officer of the Council, such as the Chief Executive or the Monitoring Officer and it would be difficult for the Monitoring Officer to consider; or
4. The complaint is about a high profile Member such as the Leader of the Council and it would be difficult for the Monitoring Officer to consider; or
5. Such other complaints as the Monitoring Officer considers it would not be appropriate for him/her to consider.

Whilst complainants must be confident that complaints are taken seriously and dealt with appropriately, deciding to investigate a complaint or to take further action will cost both public money and officers’ and Members’ time. This is an important consideration where the complaint is relatively minor.

ANNEX E

STANDARDS COMPLAINTS INVESTIGATION PROCEDURE

Members are reminded that they are required to co-operate with the investigation process as part of their compliance with the Code of conduct and to ensure that the procedure is undertaken in an efficient and resourceful manner.

1. Planning Stage:

Upon receipt of an instruction to carry out an investigation the Investigator should :-

- Identify the evidence that is needed to determine the issues.
- Consider how to undertake the evidence gathering.
- Identify how long it is likely to take to conduct the investigation.
- Tendring District Council has imposed a 3 month deadline for an investigation to be completed; this may be reduced by the Monitoring Officer in each individual case. The Investigating Officer must confirm that the deadline is achievable and regularly update the Monitoring Officer, subject member of the complainant and the complaint as to progress.

2. Evidence Gathering Stage:

- Contact the complainant to request any supporting or documentary evidence relating to the complaint.
- Contact the subject member with details of the complaint and seek an explanation.
- If new evidence is obtained through the investigation that the subject member has not been made aware of, this should be provided to the Councillor to respond to either orally or in writing.

3. Interview Stage:

- Identify witnesses.
- Arrange interview dates.
- Conduct interviews (preferably in the order of: the complainant, witnesses and subject member and any of their witnesses).
- The investigating Officer when interviewing the subject member; must ask them to respond to each point of the complaint and alleged breach of the Code of Conduct.
- The Investigating Officer should make every effort to gather evidence from the Complainant and subject member by way of a face to face interview.

4. Report Stage:

- Review evidence from interviews and any documentary evidence provided.
- Draft the report to contain:-

- Details of who was interview, who supplied information and whether through written documentation or verbally;
- Agreed facts;
- Facts not agreed and corresponding conflicting evidence;
- Conclusions as the whether a breach has occurred.
- Where a draft report is issued this will be supplied to both the complainant and subject member for comment, in addition to the Monitoring Officer.

In all cases the Investigator will issue a final report and the Monitoring Officer will then determine appropriate action to be taken in line with the report conclusion

**TENDRING DISTRICT COUNCIL
MONITORING OFFICER PROTOCOL**

This Protocol relates to the discharge of the Monitoring Officer functions in relation to the assessment of an allegation that a Member of the District, Town or Parish Council has failed to comply with the Council's Members' Code of Conduct.

1. Overarching Principles:

- (a) The Monitoring Officer is a statutory appointment under s.5 Local Government and Housing Act 1989.
- (b) This Protocol has been produced in light of the provisions of the Localism Act 2011 and associated regulations and will be kept under review and amended where necessary.
- (c) The Monitoring Officer will discharge their statutory responsibilities with a positive determination contributing to promotion and maintenance of high standards of conduct, in a manner that enhances the overall reputation of the Council, in particular:
 - Complying with the law (including any relevant Codes of Conduct);
 - Complying with any general Guidance issued including consideration of Best Practice;
 - Complying with the procedures adopted by the Standards Committee following such guidance;
 - Complying with the Council's Constitution and standing orders; and
 - Acting impartially in the interests of fair and natural justice.
- (d) The Monitoring Office must establish and maintain a Register of Interests of Members and co-opted Members of the Authority.
- (e) The Monitoring Officer is employed by Tendring District Council and owes their primary responsibility to the Authority rather than to any individual Member or group of Members. Accordingly, when they are of the opinion that providing advice to a Member or group of Members on a matter is incompatible with their role as adviser to the Authority, or any action which they may have to take on behalf of the Authority, they may decline to provide such advice, but may at their discretion, secure that such advice is provided from an independent source at the expense of the Authority.
- (f) Where the advice or recommendation of the Monitoring Officer is departed from by the Standards Committee or Sub-Committee, in accordance with administrative law, full reasons will be provided by the relevant Committee in making its decision.
- (g) This Protocol operates in conjunction with the terms of reference of the Standards Committee, Sub-Committee, the Complaints Procedure and Independent Person's Protocol.
- (h) The Monitoring Officer is the principal adviser to the Standards Committee and Sub-Committee. Additional advice and support is provided by the Corporate Director (Corporate Services) and Officers within the Legal and Democratic Services teams.

- (i) The Monitoring Officer is not the legal adviser for or to Town and Parish Councils and the role only extends in relation to the promotion and maintenance of high standards of conduct at these Authorities.
- (j) The Monitoring Officer will consult with one of Independent Persons on complaints received and throughout the process in accordance with the Complaints Procedure.
- (k) In circumstances where either the Monitoring Officer or one of the Officers has made a complaint, witnessed the breach or previously assisted with the complaint, internal procedures will be implemented to ensure a conflict of interest does not exist. These procedures will consist of maintaining an information barrier and restricted access to the matter in consideration; this is referred to as 'conflicted out'.

In practical terms, in these circumstances, the Monitoring Officer or Officer will take no part in the process unless called upon either as the complainant or as a witness.

- (l) In instances (exceptional circumstances) where the Monitoring Officer decides to refer a complaint to the Standards Committee or Sub-Committee for initial assessment or further investigation, in accordance with the Complaints Procedure (see flowchart), any approved information as is readily available, which would assist the Standards Committee or Sub-Committee in its function of considering the allegation will be attached to their Report.
- (m) In providing information, in any manner at any stage in the process, the Monitoring Officer must be satisfied that they have the legal power to do so and the requirements of the Data Protection Act 1998 and Freedom of Information Act 2000 have been considered, as reflected in the Council's Constitution.
- (n) It is recognised that, where a complaint is referred for investigation, this may not be personally conducted by the Monitoring Officer. The investigator instructed will be suitably qualified with the requisite experience and may include another senior officer of the Council, a senior officer of another Authority or an appropriately experienced consultant, ensuring that independence and impartiality is maintained. Wherever possible and if appropriate to do so, the Monitoring Officer will seek external resources from outside of the County of Essex.

2. Receipt of Allegations:

- (a) If the allegation or complaint does not refer to the Code of Conduct the matter will not be considered under the Localism Act or associated specific Complaints Procedure. The Monitoring Officer will treat this as a general complaint and forward it to be dealt with under the Council's general formal complaints process, as appropriate.
- (b) The Monitoring Officer will keep the complaint file and associated papers in accordance with the Retention and Destruction Policy.

3. Consultation with the Independent Persons:

- (a) The Monitoring Officer and supporting Officers will facilitate the contact with Independent Persons for the purposes of discussions with the Member subject of the

complaint, the complainant and the Monitoring Officer. Direct contact without the Monitoring Officer's knowledge is not permitted and the Monitoring Officer should be notified immediately by the Independent Person if direct contact is attempted by the parties.

- (b) The Monitoring Officer will allocate roles for the Independent Persons in accordance with their Protocol and each party will be notified who the relevant Independent Person is and they will be in contact shortly.
- (c) The Monitoring Officer does not have to agree with the Independent Person but if a different view is taken the Monitoring Officer will consult with another Independent Person in the first instance, before making a final decision.

4. Standards Committee and Sub-Committee:

- (a) The Monitoring Officer, in consultation with the relevant Chairman of the Standards Committee or Sub-Committee, will decide on the type of attendance permitted for an Independent Person when considering complaints.
- (b) All meetings of the Standards Committee or Sub-Committee are considered to be open to the public and press unless (c) and (d) below apply.
- (c) The Monitoring Officer will advise the Standards Committee or Sub-Committee when to go into private session and exclude public access to the meeting in accordance with the Access to Information Procedure Rules, as set out in the Council's Constitution.
- (d) In accordance with Access to Information Procedure Rules, if the Monitoring Officer or Corporate Director (Corporate Services) considers it appropriate, the Council may exclude access by the public to reports which in his or her opinion relate to items during which, in accordance with the meeting at which those reports are to be discussed is likely not to be open to the public. Such reports will be marked "Not for publication" together with the category of information likely to be disclosed.
- (e) Any decision departing from the Monitoring Officer's recommendation or advice will be supported with full reasons and recorded within the public part of the minutes for the meeting.

**TENDRING DISTRICT COUNCIL
INDEPENDENT PERSON PROTOCOL**

This Protocol sets out the expected conduct of Tendring District Council's Independent Persons (IP) when carrying out their consultation functions in relation to an allegation that a Member, or co-opted Member, of the District Council, or a Member, or co-opted Member, of a Town or Parish Council within the District, has failed to comply with the relevant Council's Code of Conduct.

Principles

1. The role of the IP is set down in legislation (section 28 of the Localism Act 2011). *Arrangements put in place by the Council must include provision for the appointment by the authority of at least one independent person, whose views are to be sought, and taken into account, by the authority before it makes its decision on an allegation that it has decided to investigate, and in any other such circumstances it considers appropriate.*
2. The purpose of the IP role is to enable the public to have confidence in how the District Council deals with allegations of misconduct and to promote and maintain high ethical standards of conduct for members, ensuring they are adequately trained and understand the Code of Conduct.
3. This Protocol applies to all IPs equally and complements the Monitoring Officer Protocol. If the Council is in a position where less than two IPs are appointed due to a vacancy, this Protocol still applies in its entirety, so long as one IP is in place (as required by the legislation).
4. The Protocol has been prepared in light of the provisions of the Localism Act 2011 and associated regulations and will be kept under review and amended where necessary.
5. In carrying out the role, the IP will ensure that they:
 - (a) Act in accordance with –
 - (i) any relevant legislation or guidance and the respective Council's Members' Code of Conduct in force at the time; and
 - (ii) the agreed processes/ procedures approved by the District Council's Standards Committee and Constitution;
 - (b) Act impartially at all times, without political bias or prejudice and in accordance with the rules of natural justice;
 - (c) Maintain confidentiality at all times; and
 - (d) Conduct themselves in accordance with the principles and high standards of conduct expected when acting in public life.

-
6. The IP role is consultative at various stages of the process, in accordance with the Complaints Procedure and Monitoring Officer's (MO) role is to give advice to the Standards Committee or Sub-Committee.
 7. The IP is not a member of the Council's Standards Committee or Sub-Committee but is able to attend meetings of the Committee, as a member of the public. The Committee or Sub-Committee may invite comments from the IP on any reports before them, at the discretion of the Chairman.
 8. If the Standards Committee or Sub-Committee invites the IP to attend any meeting, the IP does not have any voting rights when doing so.
 9. The outcome of any prior consultation with the IP undertaken by the MO will be included within any written report presented to the Standards Committee or Sub-Committee for their consideration. The IP views must be sought before a decision is made after a complaint has been investigated. This will be undertaken by the MO in the first instance, but in some circumstances, it may be appropriate for the Committee or Sub-Committee to do this directly.
 10. Whilst conducting hearings the Standards Committee or Sub-Committee meetings are adjourned for members' deliberations, an IP maybe invited into these deliberations and invited to comment.
 11. The MO will consult the IP on complaints received in accordance with the Council's procedure and requests for dispensations received in accordance with the Localism Act 2011.
 12. While the MO will have regard to the views expressed by the IP, they are not bound to accept their views on the matter.
 13. When deciding on how to progress with a complaint, the MO and IP should consider the conduct complaints assessment criteria contained within the procedure.
 14. The IP should inform the MO if they feel there are circumstances which would suggest that they had a conflict of interest e.g. being a friend of either the complainant or Member concerned; or have previously been involved in the matter.
 15. If both of the IPs are conflicted out from dealing with the issue, the MO will consider making a request to use the services of an IP from another principal authority.
 16. All contact with the IP should be made through the MO and should the IP be contacted directly by a complainant or Member, they should inform the MO immediately.
 17. In terms of confidentiality, the IP must not discuss any matters about a complaint, either past or present, with the media or any other third party without appropriate advice having been taken.
 18. The IP must provide the MO with appropriate methods of contact e.g. email and telephone numbers, and must make themselves available at all reasonable times.
 19. On those occasions when the IP knows that they will not be contactable, they must inform the MO with as much reasonable notice as possible.

20. The IP should be prepared to give the Standards Committee or Sub-Committee, through the written report, an independent view on the complaint and the merit of the evidence put forward as required to assist the Committee in coming to a decision on the matter.
21. When discussing the complaint with the complainant or the Member subject of the complaint, the IPs role is not to give views on the merit of the complaint or the evidence in support but to give advice and reassurance on the process.
22. In each complaint, when necessary;
 - (a) one IP will be selected by the MO for initial consultation and if required, available to the Standards Committee or Sub-Committee for consultation as part of the Complaints Procedure and in accordance with the Localism Act 2011; and
 - (b) if requested by a party, the other IP will be made available to the Complainant or to the Member subject of the Complaint - see paragraph 20 above.
23. The MO will allocate the roles between the IPs on a case by case basis. Should less than 2 IPs be appointed at any time, so long as 1 IP is in place the IP will be expected to be available for the respective parties set out in 22 (a & b).
24. The MO will ensure that the IPs are kept up to date with changes in legislation, national guidance or good practice.
25. The MO will update the IPs on progress of the cases on a bi-monthly basis.

PROTOCOL ON MEMBER/OFFICER RELATIONS

INTRODUCTION:

The success of the Council is greatly dependent upon the positive nature of the working relationship between Members and Officers. Mutual trust and respect between both Members and Officers is essential to good local government.

The purpose of this protocol is to provide a guide to good working relationships between Members and Officers, defining their respective roles and outlining the principles that underpin their relationship.

The protocol also builds on the respective Codes of Conduct for both Members and Officers and through this promotes the maintenance of integrity, both real and perceived, of the Council as well as very high standards of personal conduct.

1. THE ROLES OF MEMBERS AND OFFICERS:

- 1.1 In fulfilling their roles, the elected Members and Officers are both jointly responsible for:
- (a) acting honestly, with integrity and in the public interest; and
 - (b) open and transparent objective decision making;
- 1.2 In addition, the elected Members are responsible for:
- (a) the initiation and direction of policy;
 - (b) democratic accountability to the electorate for their actions and service delivery;
 - (c) the scrutiny of Council services;
 - (d) community leadership;
 - (e) the promotion of partnership working; and
 - (f) the presentation of Council policy.
- 1.3 In addition, the Officers are responsible for:
- (a) providing the professional and technical advice that Members must have before them when formulating policy and when taking decisions;
 - (b) lawfully implementing Members' decisions;
 - (c) day-to-day administration, including staffing matters;
 - (d) taking managerial and operational decisions in accordance with the Council's Scheme of Delegation;

- (e) the provision of information regarding Council services; and
- (f) undertaking public consultation.

2. WORKING RELATIONSHIPS - UNDERPINNING PRINCIPLES:

To be followed by both Members and Officers in fulfilling their duties:

- mutual respect and courtesy between Officers and Members;
- an awareness of each other's responsibilities and duties;
- no inappropriate criticism, intimidating behaviour or the creation of a threatening work environment of any kind from either Members or Officers;
- equal treatment, regardless of personal or political opinions (actual or perceived);
- an adherence to the law and the lawful instructions and advice of others;
- an avoidance of close personal familiarity.

The above principles are designed to foster the good working relationships between Officers and Members that are essential to effective decision making and the delivery of services.

Alleged breaches of the Members' Code of Conduct are dealt with through the Council's Standards Committee and in relation to the Officer Code, by the Head of Paid Service. If an Officer is concerned about the conduct of a Member, they should report this to their senior manager, who will notify both the Head of Paid Service and Monitoring Officer. These concerns could include public criticism of an Officer by a Member.

3. OFFICER APPOINTMENTS, PERFORMANCE & POLITICAL NEUTRALITY:

- 3.1 The appointment of the Chief Executive is made at full Council and the appointments of Corporate Directors are made in consultation with the Leader of the Council, Deputy Leader and Group Leaders. The appointment of a Head of Department is made in consultation with the relevant Portfolio Holder. All other appointments are made at officer level.
- 3.2 Staffing matters (including discipline, training, setting and monitoring targets) are dealt with by the relevant managers, although the relevant Portfolio Holders/Cabinet Members will agree to targets in the case of the Chief Executive. All other targets are set at Officer level.
- 3.3 Members wishing to comment on an individual Officer's performance and/or deficiencies are usually expected to raise the matter with the relevant Corporate Director in the first instance. Thereafter to the Chief Executive if unresolved.
- 3.4 Officers are politically neutral, serve the whole Council and must avoid being identified with any political group. In order to safeguard this neutrality, Officers must avoid

involvement in party political matters, such as campaigns in the political arena. This assumes particular significance in the run up to District Council and General Elections. In their lives outside work, all politically restricted posts, which includes, the Chief Executive, Corporate Directors and many Senior Officers are prevented from active political involvement.

3.5 OFFICER ATTENDANCE AND ADVICE TO PARTY GROUPS

3.5.1 The political parties represented on the Council hold regular group meetings. Officers do not usually advise at these meetings, but may be invited to give information. All invitations should be routed through the Chief Executive.

3.5.2 There is statutory recognition for party groups and it is common practice for such groups to give preliminary consideration to matters of Council business in advance of such items being considered by the relevant Council decision-making body. The support provided by Officers can take many forms, ranging from a briefing meeting with a Cabinet Member, Chairman or spokesperson (either jointly or individually) prior to a meeting, to a presentation to a full party group meeting. Whilst in practice such Officer support is likely to be in most demand from whichever party group is for the time being in control of the Council, such support is available to all party groups.

3.5.3 The parameters for support to party groups and individuals must be clearly understood, and to assist in this the following applies:-

- (i) The Chief Executive will inform all party groups of the facility for an Officer to attend a party group meeting for a specific purpose and will decide, on request, which Officer may attend.
- (ii) Support must not extend beyond providing information and advice in relation to Council business. Officers must not be involved in advising on matters of party business and should not, therefore, be present at group meetings when such issues are being discussed.
- (iii) Party group meetings are not empowered to make decisions on behalf of the Council and therefore any conclusions reached at group meetings do not rank as a Council decision and cannot be interpreted or acted upon as such.
- (iv) Advice provided to party groups on an issue does not act as a substitute for providing all the necessary information and advice to Members at meetings when that issue is being considered.
- (v) The attendance of Officers at a party group meeting does not confer any official standing to that meeting.
- (vi) Special care will be exercised when non-Members are in attendance at a group meeting.
- (vii) The provisions of the Code of Conduct do not apply to non-Members and therefore the nature of advice, guidance and information given by Officers may not be the same as that given to a Members-only meeting.
- (viii) Officers must respect the confidentiality of discussions at party group meetings and must not relay the content of these discussions to any other party group.

4. DECISION MAKING – PROVIDING AND CONSIDERING ADVICE

- 4.1 Decision-making by local authorities is closely regulated by law. The taking of a decision by the wrong person/body or in the wrong way can invalidate the decision from the beginning or leave it vulnerable to being challenged and overturned by a court.
- 4.2 In the event of challenge, attention may also be focussed on the information, professional advice and options made available to the decision-making body or individual prior to that decision being made. Reports and/or other papers placed before decision-making bodies or individuals must therefore contain the relevant facts, correct and complete professional advice and alternative options that may be open to the Council. Officers have the duty to ensure that all of the information on an issue for decision by Members is available, subject to the provisions in this protocol and the Constitution on access to information.
- 4.3 The Officers are responsible for providing those reports and/or papers, and the Monitoring Officer and Chief Financial Officer are required to ensure that their proper advice is placed before decision-makers.
- 4.4 Officers preparing reports for consideration by Council or its Committees do so in the best interests of the Council and not to promote the viewpoint of a particular Member or group of Members.
- 4.5 Reports to Cabinet are drafted by Officers but submitted in the name of the relevant Cabinet Member and will be prepared with their input. Members must recognise that Officers drafting reports on behalf of the Cabinet, delivering the administration's policies, must include all the relevant information, various options and highlighting financial considerations and legal powers, ensuring informed decisions are made, as a whole through the Head of Paid Service.
- 4.6 Officers have a duty to give advice to the Council and its Members using their professional technical knowledge and experience. This will be provided within the report and or papers and at the meeting, if required.
- 4.7 Members are entitled to expect Officer attendance at meetings at an appropriate level of expertise to ensure adequate knowledge and advice on the subject matter under discussion. Officers in attendance at meetings will always be fully briefed as far as is practical on the issues under discussion on an Agenda.
- 4.8 Such advice is given in good faith and will be in line with and reflect legislation, good practice, Council procedures, experience, professional and technical knowledge, and the Council's formally adopted policies.
- 4.9 Members are entitled to expect clear, concise and unambiguous information from Officers at all times to assist them in the decision making process. Officer's advice must be given in accordance with the Council's instructions through the decision making and review process set out in the Council's Constitution and should be taken into account by Members when considering an action or making a decision.

- 4.10 Officers are also expected to faithfully and conscientiously to implement the lawful decisions of Councillors and properly take decisions delegated to them.
- 4.11 Officers and Members must ensure that the Council's responsibilities regarding notification of and publication of decisions are complied with, as set out in the Access to Information Rules of Procedure as set out in Part 5 of the Council's Constitution.
- 4.12 In addition to legal challenges and implications, failure to follow the decision making principles may amount to breaches of both Members' and Officers' Code of Conduct and lead respectively to action under the Standards Framework or to disciplinary proceedings.

5. ACCESS TO CONFIDENTIAL INFORMATION

- 5.1 Both Members and Officers must adhere to the Access to Information provisions concerning confidential information set in Part 5 of the Council's Constitution.
- 5.2 Disclosure of confidential information by either a Member or Officer will constitute a breach of their relevant Code of Conduct and the appropriate action will be taken. In addition, the Council could be exposed to a damages or compensation claim as a result of the disclosure.

6. SCRUTINY

The rules and procedures governing Officer and Member responsibilities in support of the Council's overview and scrutiny function are set out in Part 5 of the Constitution.

7. WORKING WITH THE MEDIA

- 7.1 Information provided to the media is governed by the Local Government Act 1986 and the Code of Practice on Local Authority Publicity. In particular, information should be:-
- Objective, factual and informative
 - Non- party political or designed to affect public support for a political party
- 7.2 The functions of the Council are discharged corporately and it is not, therefore, appropriate for public resources to be used to promote the views of individual Members. This does not preclude, in the interests of public accountability, publicity of the views of individual Members when they are representing the Council.
- 7.3 Press releases containing comments by individual Members are similarly acceptable practice. The Communications & Public Relations Manager will provide the press with factual information but comment will only be provided by the Officers with the prior consent of the Chief Executive and/or the relevant Portfolio Holder/Cabinet Member or the relevant Committee Chairman.
- 7.4 The principle that the Council cannot use public resources at anytime to promote the views or policies of a particular party is heightened during **election periods**. During the period just before elections there are restrictions on local authority publicity and

rules concerning media reporting of the election campaign, the so-called 'purdah' period, is defined as beginning with the last date for publication of notice of the election. Prior to this period, Guidance will be issued to both Members and Officers setting out the Council's own version of the convention in the period leading up to the elections.

MEMBERS' PLANNING CODE & PROTOCOL Updated December 2016

Background:

The Members' Planning Code of Good Practice was originally prepared in response to a series of successful court challenges concerning themselves with local planning authorities and the Members' conduct or conflicts of interests. It replaced what was a number of individual and sometimes haphazard approaches in individual councils at the time.

The drafting of the model code was subject to consultation and comment from a number of local authorities through the machinery of the Association of Council Secretaries and Solicitors (now LLG), the Local Government Association, the Local Government Ombudsman, Audit Commission and from firms of solicitors or counsel acting on their behalf.

This 2014 update takes into account the update to the Seven Principles of Public Life (the "Nolan principles") and commentary from the Committee on standards in public life, the changes in the approach to codes of conduct and also to predetermination introduced by the Localism Act 2011 and the guide on "Openness and transparency on personal interests" published by the Department for Communities and Local Government 2013.

For further reading please refer to "Probity in Planning" issued by the Local Government Association.

Introduction:

The aim of this Protocol: to ensure that in the planning process there are no grounds for suggesting that a decision has been biased, partial or not well founded in any way.

One of the key purposes of the planning system is to regulate the development and use of land in the public interest. **Your role as a Member of the Planning Committee is** to make planning decisions openly, impartially, with sound judgment and for justifiable reasons. You are also a democratically accountable decision-taker who had been elected to provide and pursue policies. You are entitled to be predisposed to make planning decisions in accordance with your political views and policies **provided** that you have considered all material considerations and have given fair consideration to relevant points raised.

When the Protocol applies: this Protocol applies to Members at all times when involving themselves in the planning process (this includes when taking part in the decision making meetings of the Council in exercising the functions of the Planning Authority or when involved on less formal occasions, such as meetings with officers or the public and consultative meetings). It applies as equally to planning enforcement matters or site specific policy issues as it does to planning applications.

If you have any doubts about the application of this Protocol to your own circumstances you should seek advice early, from the Monitoring Officer or one of their staff, and preferably well before any meeting takes place.

1. **Relationship to the Members' Code of Conduct**

- **Do** apply the rules in the Members' Code of Conduct first, which must always be complied with. This is both the rules on interests, Disclosable Pecuniary Interests (DPIs) and any other interests identified by your Authority, and the general rules and obligations giving effect to the Seven Principles of Public Life: Selflessness, Integrity, Objectivity, Accountability, Openness, Honesty and Leadership.
- **Do** then apply the rules in this Members' Planning Protocol, which seek to explain and supplement the Members' Code of Conduct and the law on decision making for the purposes of planning control. If you do not abide by this Members' Planning Protocol, you may put:
 - the Council at risk of proceedings on the legality of the related decision or maladministration; and
 - yourself at risk of being named in a report made to the Council or, if the failure is also likely to be a breach of the interest provisions of Localism Act 2011, a complaint being made to the Police to consider criminal proceedings.

2. **Development Proposals and Personal Interests (includes pecuniary and non-pecuniary interests, as defined by the Code of Conduct)**

- **Do** disclose the existence and nature of your interest as required by your Authority's Member Code of Conduct.
- **Do take into account when approaching a decision** that the Principle of Integrity is defined in terms that

"Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family or their friends. **They must declare and resolve any interests and relationships**".

It is therefore advisable that you:

- **Don't** seek or accept any preferential treatment, or place yourself in a position that could lead the public to think that you are receiving preferential treatment, because of your position as a councillor. This would include, where you have a disclosable or other personal conflict of interest in a proposal, using your position to discuss that proposal with officers or Members when other members of the public would not have the same opportunity to do so.
- **Do** note that you are not prevented from seeking to explain and justify a proposal in which you may have a conflict of interest to an appropriate officer, in person or in writing, but that your role as a councillor may place additional limitations on you in representing the proposal in which you have a personal interest.

- **Do** notify the Monitoring Officer in writing where it is clear to you that you have a Disclosable Pecuniary Interest or other personal conflict of interest and note that:
 - you should send the notification no later than submission of that application where you can;
 - the proposal will always be reported to the Committee as a main item and not dealt with by officers under delegated powers;
 - you must not get involved in the processing of the application; and
 - it is advisable that you employ an agent to act on your behalf in respect of the proposal when dealing with officers and in public speaking at Committee.

3. Fettering Discretion in the Planning Process
(natural justice, predisposition and predetermination)

- **Don't** fetter your discretion by approaching the decision with a closed mind.
- **Do** be aware that in your role as an elected Member you are entitled, and are often expected, to have expressed views on planning issues and that these comments have an added measure of protection under the Localism Act 2011.
- **Do** keep at the front of your mind that, when you come to make the decision, you
 - are entitled to have and to have expressed your own views on the matter, provided you are prepared to reconsider your position in the light of all the evidence and arguments;
 - must keep an open mind and hear all of the evidence before you, both the officers' presentation of the facts and their advice as well as the arguments from all side;
 - are not required to cast aside views on planning policy you held when seeking election or otherwise acting as a Member, in giving fair consideration to points raised;
 - are only entitled to take account a material consideration and must disregard considerations irrelevant to the question and legal context at hand; and
 - are to come to a decision after giving what you feel is the right weight to those material considerations.
- **Do** be aware that you can be biased where the Council is the landowner, developer or applicant if you have acted as, or could be perceived as being, a chief advocate for the proposal. This is more than a matter of membership of both the proposing and planning determination committees, but that through your significant personal involvement in preparing or advocating that proposal you will be, or perceived by the public as being, no longer able to act impartially or to determine the proposal purely on its planning merits.
- **Do** consider yourself able to take part in the debate on a proposal when acting as part of a consultee body (where you are also a member of the Parish Council, for example, or both a District and County Councillor), provided:

- the proposal does not substantially affect the well-being or financial standing of the consultee body;
 - you make it clear to the consultee body that:
 - your views are expressed on the limited information before you only;
 - you must reserve judgement and the independence to make up your own mind on each separate proposal, based on your overriding duty to the whole community and not just to the people in that area, ward or parish, as and when it comes before the Committee and you hear all of the relevant information; and
 - you will not in any way commit yourself as to how you or others may vote when the proposal comes before the Committee.
- **Do** explain that you do not intend to speak and vote as a member of the Committee because you will be perceived as having judged (or you reserve the right to judge) the matter elsewhere, so that this may be recorded in the minutes.
 - **Do** take the opportunity to exercise your separate speaking rights as a Ward/Local Member where you have represented your views or those of local electors and fettered your discretion, but do not have a disclosable or other personal conflict of interest. Where you do:
 - advise the proper officer or Chair that you wish to speak in this capacity before commencement of the item;
 - remove yourself from the seating area for members of the Committee for the duration of that item; and
 - ensure that your actions are recorded.

4. Contact with Applicants, Developers and Objectors

- **Do** refer those who approach you for planning, procedural or technical advice to officers.
- **Don't** agree to any formal meeting with applicants, developers or groups of objectors where you can avoid it. Where you feel that a formal meeting would be useful in clarifying the issues, you should seek to arrange that meeting yourself through a request to the Head of Planning or Planning Manager to organise it. The officer(s) will then ensure that those present at the meeting are advised from the start that the discussions will not bind the authority to any particular course of action, that the meeting is properly recorded on the application file and the record of the meeting is disclosed when the application is considered by the Committee.
- **Do** otherwise:
 - follow the Authority's rules on lobbying;
 - consider whether or not it would be prudent in the circumstances to make notes when contacted; and
 - report to the Head of Planning or Planning Manager any significant contact with the applicant and other parties, explaining the nature and purpose of the contacts and your

involvement in them, and ensure that this is recorded on the planning file [a proforma has been supplied to you for this purpose].

In addition in respect of presentations by applicants/developers:

- **Don't** attend a planning presentation without requesting an officer to be present.
- **Do** ask relevant questions for the purposes of clarifying your understanding of the proposals.
- **Do** remember that the presentation is not part of the formal process of debate and determination of any subsequent application; this will be carried out by the appropriate Committee of the Planning Authority.
- **Do** be aware that a presentation is a form of lobbying and, whilst you may express any view on the merits or otherwise of the proposal presented, you should never state how you or other Members would intend to vote at a committee.

5. Lobbying of Councillors

- **Do** explain to those lobbying or attempting to lobby you that, whilst you can listen to what is said, it may subsequently prejudice your impartiality, and therefore your ability to participate in the Committee's decision making, to make any sort of promise to vote one way or another or such a firm point of view that it amounts to the same thing.
- **Do** remember that your overriding duty is to the whole community not just to the people in your ward/division and, taking account of the need to make decisions impartially, that you should not improperly favour, or appear to improperly favour, any person, company, group or locality.
- **Don't** accept gifts or hospitality from any person involved in or affected by a planning proposal. If a degree of hospitality is entirely unavoidable, ensure it is of a minimum, its acceptance is declared as soon as possible, including its addition to your register of interests where relevant.
- **Do** copy or pass on any lobbying correspondence you receive to the Head of Planning or Planning Manager at the earliest opportunity.
- **Do** promptly refer to the Head of Planning or Planning Manager any offers made to you of planning gain or constraint of development, through a proposed s.106 Planning Obligation or otherwise.
- **Do** inform the Monitoring Officer where you feel you have been exposed to undue or excessive lobbying or approaches (including inappropriate offers of gifts or hospitality), who will in turn advise the appropriate officers to follow the matter up.
- **Do** declare that you have been lobbied on any particular matter at the Planning Committee when the application is being considered under the Declaration of Interests item of the agenda.
- **Do** note that, unless you have a disclosable or overriding other personal conflict of interest, you will not have fettered your discretion or breached this Planning Protocol through:
 - Listening or receiving viewpoints from residents or other interested parties;
 -

- Making comments to residents, interested parties, other Members or appropriate officers (making clear that you must keep an open mind when it comes to making the decision);
- seeking information through appropriate channels; or
- being a vehicle for the expression of opinion of others in your role as a ward/division Member.

6. Lobbying by Councillors

- **Don't** become a member of, lead or represent an organisation whose primary purpose is to lobby or promote or oppose planning proposals unless it is your intention to openly campaign on the matter and will therefore step away from the Committee when it comes to make it's decision.
- **Do** join general interest groups which reflect your area of interest and which concentrate on issues beyond particular planning proposals (such as the Victorian Society, CPRE, Ramblers Association or a local civic society), but you should normally seek to disclose that interest on the grounds of transparency where the organisation has made representations on a particular proposal.
- **Don't** excessively lobby fellow councillors regarding your concerns or views nor attempt to persuade them that they should decide how to vote in advance of the meeting at which any planning decision is to be taken.
- **Don't** decide or discuss how to vote on any application at any political group meeting, or lobby any other Member to do so. Political Group Meetings should never dictate how Members should vote on a planning issue.

7. Site Visits/Inspections

- **Do** attend site visits organised by the Council, otherwise you will NOT be permitted to sit on the Committee for those items.
- **Do** ensure that you report back to the Committee any information gained from the site visit that you feel would benefit all Members of the Committee
- **Do** ensure that you treat the site visit only as an opportunity to seek information and to observe the site.
- **Do** ask the officers at the site visit questions or seek clarification from them on matters which are relevant to the site inspection.
- The Chairman will open the formal site visit and invite Officers to point out relevant features of the site and its surroundings. The Chairman will then invite one at a time, from those present, in the following order:
 - the applicant;
 - local Ward Members; and
 - Town and Parish Councillors

to point out any relevant features of the site and its surroundings and raise any site-related issues that they wish to draw to the attention of Councillors. Councillors will be able to see the physical features of the site and ask questions of any speaker. There will be no discussion of the merits of the case, and all questions from Councillors and other speakers must be put through the Chairman.

- The visiting Planning Committee party will stay together as a group. No lobbying by applicants or objectors will be allowed at the site visit. If an applicant or objector(s) persist(s) in attempting to lobby, all Councillors and Officers will leave the site.
- **Don't** express opinions or views.
- **Don't** enter a site which is subject to a proposal other than as part of an official site visit, even in response to an invitation, as this may give the impression of bias unless:
 - you feel it is essential for you to visit the site other than through attending the official site visit.
 - you have first spoken to the Head of Planning or Planning Manager about your intention to do so and why (which will be recorded on the file) and
 - you can ensure you will comply with these good practice rules on site visits.

8. Public Speaking at Meetings

- **Don't** allow members of the public to communicate with you during the Committee's proceedings (orally or in writing) other than through the scheme for public speaking or through the Chairman, as this may give the appearance of bias.
- **Do** ensure that you comply with the Council's procedures in respect of public speaking.

9. Officers

- **Don't** put pressure on officers to put forward a particular recommendation. This does not prevent you from asking questions or submitting views to the Head of Planning or Planning Manager, which may be incorporated into any committee report.
- **Do** recognise that officers are part of a management structure and only discuss a proposal, outside of any arranged meeting, with the Corporate Director or Head of Planning or those officers who are authorised by their Corporate Director or Head of Planning to deal with the proposal at a Member level.
- **Do** recognise and respect that officers involved in the processing and determination of planning matters must act in accordance with the Council's Code of Conduct for Officers and their professional codes of conduct, primarily the Royal Town Planning Institute's Code of Professional Conduct. As a result, planning officers' views, opinions and recommendation will be presented on the basis of their overriding obligation of professional independence, which may on occasion be at odds with the views, opinions or decisions of the Committee or its Members.

10. Decision Making

- **Do** ensure that, if you request a proposal to go before the Committee rather than be determined through officer delegation, that your planning reasons are recorded and repeated in the report to the Committee.
- **Do** come to meetings with an open mind and demonstrate that you are open-minded.
- **Do** comply with section 38 of the Planning and Compulsory Purchase Act 2004 and make decisions in accordance with the Development Plan unless material considerations indicate otherwise.
- **Do** come to your decision only after due consideration of all of the information reasonably required upon which to base a decision. If you feel there is insufficient time to digest new information or that there is simply insufficient information before you. Request that further information. If necessary defer, or refuse.
- **Don't** vote or take part in the meeting's discussion on a proposal unless you have been present at the entire debate, including the officers introduction to the matter.
- **Do** have recorded the reasons for Committee's decision to defer any proposal [and that this is in accordance with the Council's proposal on deferrals].
- **Do** make sure that if you are proposing, seconding or supporting a decision contrary to officer recommendations or the development plan that you clearly identify and understand the planning reasons leading to this conclusion/decision. These reasons must be given prior to the vote and be recorded. Be aware that you may have to justify the resulting decision by giving evidence in the event of any challenge.

11. Training

- Members that have been nominated by their Group Leaders can act as a designated substitute member of the Planning or Local Plan Committees. Any member of a political group is eligible to be a designated substitute member providing that they have received training in relation to planning matters under a continuing programme arranged by the Council.
- The Council provides training for Councillors on development control, local plan making and/or other planning matters at least once a year. The Council also aims to provide more specialist training to update knowledge, cover particular topics or to look at matters in greater depth. Training events are open to all Councillors and where places are limited, current members and named substitutes of the Planning and Local plan Committees will take priority.
- **Don't** participate in decision making at meetings dealing with planning matters if you have not attended the mandatory planning training prescribed by the Council.
- **Do** endeavour to attend any other specialised training sessions provided, since these will be designed to extend your knowledge of planning law, regulations, procedures, Codes of Practice and the Development Plans beyond the minimum referred to above and thus assist you in carrying out your role properly and effectively.

- **Do** participate in the organised training, reviewing a sample of planning decisions to ensure that Members' judgements have been based on proper planning considerations.

TENDRING DISTRICT COUNCIL CONSTITUTION

Part 7

Members' Allowances Scheme

1.0 INTRODUCTION

1.1 The Scheme and Title

In exercise of the powers conferred on Tendring District Council under the Local Authorities (Members' Allowances) (England) Regulations 2003 (as amended) the following Scheme of Allowances ("the Scheme") has been approved by the Council, having taken due account of the recommendations of its Independent Remuneration Panel.

The Scheme may be cited as the "Tendring District Council Members' Allowances Scheme", and will be effective from 1st May each year until subsequently amended by Council.

1.2 Annual Review

In accordance with the above regulations the Scheme payments will be reviewed annually. The review process will involve: -

- Scrutiny by the Independent Remuneration Panel [IRP] of the ongoing and future role and workload of Members and review of the allowances and amounts paid to Members;
- OR
- Application of an appropriate agreed indexation allowance for up to a maximum of 4 years;
 - The IRP will then make recommendations to the Council in respect of payments considered to be appropriate for subsequent years.

See Appendix 2 for the current scheme and most recent decision by Annual Council.

1.3 Definitions

In the Scheme: -

"Councillor" or "Member" means an elected Member of Tendring District Council

"Year" means the year (or part year) ending at the annual Full Council meeting

2.0 THE STRUCTURE OF THE SCHEME

2.1 Member Involvement

This Scheme has been established in a way that reflects the responsibility and time commitment required from Members in the discharge of their duties. It acknowledges their duties to ward constituents, fellow councillors, the population as a whole and to organisations outside the Council. The extent of these responsibilities, and the commitment they require, is reflected in the extent to which a Councillor is remunerated.

2.2 Basic Members' Allowance

Basic Allowance is a flat rate payment made to all Councillors in recognition of their time commitments, including such inevitable calls on their time as meetings with officers and constituents and attendance at political group meetings. It also covers incidental costs such as the use of their homes, telephone costs and peripheral costs such as paper, printer cartridges etc. except that headed paper and business cards will be provided by Tendring District Council on request. The same level of Basic Allowance will be paid to all councillors.

2.3 Special Responsibility Allowance

Special Responsibility Allowances will be payable to those councillors who hold positions with additional special responsibility.

Payment to the Leader(s) of Opposition Group(s) will also be considered.

The amount of Special Responsibility Allowance (SRA) payable will vary according to the position held, duties undertaken and the level of responsibility involved. No Member is eligible for more than one SRA. They are entitled ONLY to the higher SRA. If the Chairman or Vice-Chairman of the Council also hold a position which entitles them to a SRA they shall be entitled ONLY to the higher of the SRA and Chairman or Vice-Chairman allowance.

2.4 Childcare and Dependant Carers' Allowance

The Regulations make provision for the Scheme to include payment of a Childcare and Dependant Carers' Allowance to those councillors who incur expenditure for the care of children or dependant relatives whilst undertaking official duties.

Allowances are made available to Members who have an express need. The express need shall be in the form of a written declaration by a Member that needs to be lodged with the Management and Members' Support Manager.

2.5 Travel and Subsistence Allowance

Travel and Subsistence Allowances are also approved by the Council following consideration of recommendations made by the Independent Remuneration Panel in accordance with the Local Authorities (Members' Allowances) (England) Regulations 2003.

Travel and Subsistence payments will be made in accordance with the laid down rates in respect of councillors' duties and in respect of approved attendance on approved outside bodies. Rates approved by the Council, following consideration of the recommendations of the Independent Remuneration Panel are set out in Appendix 2 to this Scheme.

Claims for travel and subsistence submitted to Management and Members' Support by the 2nd working day of each month will be paid in that month otherwise they will be paid the following month. Members should aim to submit claims the month after the mileage etc. has been incurred in order to assist effective budgetary control and ensure proper treatment within the correct tax year (in compliance with HMRC requirements). Members will be reminded before the end of the tax year to submit claims relating to that year.

2.6 Attendance at Meetings and Conferences

This allowance is paid in accordance with the Local Authorities (Members' Allowances) (England) Regulations 2003. As with travel and subsistence, claims submitted to Management and Members' Support by the 2nd working day of each month will be paid in that month otherwise they will be paid the following month.

2.7 Pensionability Of Posts

The Local Government Pension Scheme does not allow councillor posts to be pensionable.

3.0 CLAIMS AND PAYMENTS

The Scheme will be administered in a way that meets the need for both simplicity and transparency. The following procedures are intended to achieve such objectives.

3.1 Documenting Entitlement to Allowances

Following the four yearly local elections and the subsequent Annual Council Meeting at which positions on the Council are filled the annual remuneration entitlement in respect of each Councillor will be calculated and documented.

Details will be included on a Schedule of Members' Commitments form (Appendix 1), that will form part of each Member's declaration of office and which will provide a public record of an individual's responsibilities and commitments. These documents will be retained within the Council and will be used to determine the basis of each Councillor's monthly payment through the Council's payroll system.

Any changes to members' allowances subsequent to this will be documented separately and individual Schedules of Members' Commitments will not be updated.

3.2 Payment

Payment of allowances will be paid to each Councillor in arrears in twelve instalments on the 20th of each month (or nearest working day thereto).

Payment of expenses where the claim is submitted by the 2nd working day of the month will be paid to each Councillor in arrears on the 20th of that month (or nearest working day thereto).

3.3 Changes / Part-Year Entitlement

Councillors may, during the course of a year, take up or relinquish a position or role identified within this scheme which alters their entitlement to allowances. In such circumstances their entitlement will be adjusted on a pro-rata basis. Councillors should notify the Management and Members' Support Manager of such changes as soon as they are known.

If a Councillor's term of office starts or ends other than at the commencement or end of the normal municipal year, entitlement to such remuneration as their responsibilities and commitments attracts will also be calculated on a pro-rata basis.

The revised allowance will apply from the day on which the change occurs.

3.4 Option to Forgo Allowances

A Councillor may decide to forgo all or part of the allowances due to him / her. In such circumstances the Management and Members' Support Manager should be notified in writing of such decision.

Once in place, limited or non-payment will continue until revoked in writing by the Councillor concerned. (NB such revocation shall not be backdated).

3.5 Verification of Travel and Subsistence

In order to maintain the transparency of the scheme, a list of "approved" duties that attract entitlement to travel and subsistence will be maintained and all claims will be verified against this list before payment is made with non-compliant claims being removed.

3.6 Members Responsibility for Reporting Receipt of Allowances

Members are advised to declare the receipt of a members allowance if **any form** of benefit such as income support or housing benefit is being claimed. The rules on how members' allowances are treated may vary depending on the benefit claimed and advice should be sought from the relevant administrating body. For example the rules for those in receipt of Housing Benefit and Council Tax Benefit state that "basic members allowance, special responsibility allowance and conference attendance allowance are treated as earnings except for any expenses which have been wholly, exclusively and necessarily incurred in the performance of their duties". Members are therefore advised that in order to claim expenses in these circumstances receipts and records to justify the expenses incurred must be kept.

4.0 APPROVED DUTIES

The power "to appoint member representatives to attend meetings of appropriate outside bodies" is delegated in Part 3 of the Constitution to Portfolio Holders and to Committees with regard to the functions within their jurisdiction.

4.1 Approved Duties for Travel and Subsistence Allowance

Similarly expenses are payable where Members request or are invited to pre organised meetings with officers to discuss Council business.

- **Attendance by Councillors at site or similar meetings, approved in advance**

- Attendance at any seminar if reasonable and relevant / appropriate to the responsibilities of individual Members.

- **Attendance at Civic Events**

- Attendance by the Chairman or Vice Chairman and their consorts at civic events.

Expenses are payable for the Chairman or Vice Chairman and their consorts undertaking civic duties. They will not be payable for other members attending civic events.

5.0 APPLICATION OF THE SCHEME

The following principles will apply in the adopted scheme.

5.1 Substitute Members
