## Responsibility for Council (Non-Executive) Functions

### GENERAL MATTERS/PRINCIPLES

Detailed below are the general matters/principles which underpin the Council's scheme of delegation in respect of non-executive functions.

1. The Council is responsible for determining the scheme of delegation for all non-executive functions.
2. Powers and duties of Non-Executive Committees are subject to the general instructions which contain the framework within which such delegations must be exercised as follows:-
  - (a) Performed on behalf of and in the name of the Council;
  - (b) Within their areas of responsibility and limits as set out in the Constitution subject to the action being within the Council's Budget and Policy Framework;
  - (c) Subject to the directions of the Council and of the Cabinet or Non-Executive Committee as appropriate;
  - (d) Subject to powers and duties reserved for confirmation by the Council;
  - (e) In accordance with the Council's Financial Procedure Rules and Procurement Procedure Rules;
  - (f) Delegate, as appropriate, matters to:
    - (i) a Sub-Committee or panel;
    - (ii) to an Officer in consultation with the Chairman or Vice-Chairman of a Committee, Sub-Committee or panel, as appropriate; or
    - (iii) an Officer.
3. Non-Executive Committees have the power to discharge those functions within their areas of responsibility, with the exception of decision-making reserved to full Council.
4. The tables within this Schedule detail functions retained for discharge by full Council and which of the Council's Committees are responsible for discharging those functions, set out in the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 (as amended) which are relevant to the functions of Tendring District Council, that cannot be the responsibility of the Council's Executive (the Cabinet) and the Appendix to Part 3 of the Constitution. These tables also identify those functions which have been delegated to Officers.
5. The Council may by resolution at any time vary, enlarge, restrict, or reduce any non-executive function, power or duty referred to a Committee, Sub-Committee or Officer.

6. The Chief Executive is authorised to deal with any matter on exceptional grounds of urgency, following consultation with the Leader of the Council or Deputy, the Chairman and Vice-Chairman of the appropriate Committee in respect of non-executive matters.
7. The delegation of powers to Officers is underpinned by the principle and culture of consultation and liaison with Members, as appropriate and the ability for Officers to refer matters to the relevant decision making body, where it is felt that this is appropriate due to the nature of an issue.
8. The express authorisations to Officers set out in this Schedule are in addition to the normally accepted powers and duties of Officers to deal with matters of routine occurrence falling within the scope of their departmental responsibilities as set out in Article 12 which includes all present and future legislation related to the functions of the service and nothing in this Schedule shall derogate from any statutory powers or duties conferred or imposed directly on an Officer of the Council.
9. In cases where matters are delegated to Officers, but must also be discharged in consultation with the Chairman of the relevant Committee, and in cases where the Chairman is not available, the Vice-Chairman of the Committee is to be consulted. In instances, where there is disagreement between the Officer and the Chairman the matter should be reported to a meeting of the relevant Committee for consideration and determination. Furthermore, an Officer with delegated powers to discharge a function, or the Member being consulted has the option to refer the matter to a meeting of the relevant Committee for determination where this is felt to be necessary and/or appropriate.
10. All delegations to Officers are made to the Corporate Directors, unless expressly indicated otherwise. Any Corporate Director is empowered to exercise any of the powers of another Corporate Director, where this is necessary, subject to the provisions set out in paragraph 13.
11. The Corporate Directors are Designated Officers for the purposes of legislation within their respective service areas as set out in Part 8 of the Constitution and have the power to authorise other Officers of the authority, as Designated Officers and authorised persons for purposes, relating to present and future legislation falling within their areas of responsibility.
12. Any authority granted to the Chief Executive or a Corporate Director, unless otherwise indicated, may be exercised by an officer with appropriate qualifications authorised by a Corporate Director in writing for that purpose. The relevant Corporate Director will maintain a record of such authorisations, a central record of which will be kept by the Monitoring Officer and available for inspection.
13. Any authority which under statute or best practice guidance should only be discharged by Officers with a specific level of qualification must only be conferred to and discharged by such Officers. Furthermore, where the matter relates to a statutory power or duty conferred or imposed directly on an officer of the Council, only that Officer may discharge the function.
14. The Chief Executive has authority to exercise any function delegated to Officers, except where an Officer with appropriate qualifications must only discharge such a delegation or where the

matter relates to a statutory power or duty conferred or imposed directly on an Officer of the Council.

15. The Monitoring Officer shall:-
  - (i) Determine any conflict between any two or more Officers acting under any authorisation; and
  - (ii) In any case of uncertainty, and having considered relevant legislation, determine whether any matter falls within the remit of the Council, the Cabinet, a Committee or an Officer of the Council.
16. In the event of a change to the corporate structure of the Council, the responsibility for issues delegated to each Corporate Director shall be amended accordingly and will take immediate effect. The relevant amendments to this scheme of delegation should be made in the Constitution as soon as possible.
17. All Corporate Directors are authorised in consultation with the Assistant Director (Governance) to take all steps in connection with any legal proceedings, in respect of any function under the jurisdiction of a Portfolio Holder including the commencement or defence of, withdrawal, settlement or compromise of any such proceedings.
18. All Corporate Directors are authorised in consultation with the Assistant Director (Governance) to appear on the Council's behalf in any legal proceedings, under the jurisdiction of a Portfolio Holder, before all courts, tribunals and inquiries.

## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

Part II of the Local Government Act 2000 provides for the discharge of a local authority's functions by an executive of the authority (which must take one of the forms specified in section 11(2) to (5) of the Act), unless those functions are specified as functions that are not to be the responsibility of the authority's executive.

These Regulations specify functions that are not to be the responsibility of an authority's executive or are to be the responsibility of such an executive only to a limited extent or only in specified circumstances.

Regulation 2(1) of these Regulations provides that the functions listed in Schedule 1 ("Schedule 1 functions") are not to be the responsibility of an authority's executive.

Regulation 2(2) provides that the function of imposing conditions, limitations, restrictions or other terms on any approval, consent, licence, permission or registration granted in the exercise of Schedule 1 functions, or functions under a local Act (unless in that case the approval, consent, licence, permission or registration was granted by an authority's executive), is not to be the responsibility of an authority's executive

Regulation 2(3) provides that the function of determining whether, and in what manner, to enforce contraventions of approvals, consents, licences, permissions or registrations granted in the exercise of Schedule 1 functions, or functions under a local Act (unless in that case the approval, consent, licence, permission or registration was granted by an authority's executive), is not to be the responsibility of an authority's executive. It also provides that the function of determining whether, and in what manner, to enforce other contraventions, in relation to matters for which an approval, consent, licence, permission or registration should have been sought, is not to be the responsibility of an authority's executive where the approval, consent, licence, permission or registration could have been granted in the exercise of Schedule 1 functions.

Regulation 2(4) provides that the function of amending, modifying, varying or revoking any approval, consent, licence, permission or registration to which regulation 2(2) applies is not to be the responsibility of an authority's executive.

Regulation 2(5) provides that the function of making any scheme authorised or required by regulations under section 18 of the Local Government and Housing Act 1989 (schemes for basic, attendance and special responsibility allowances for local authority members) or of amending, revoking or replacing any such scheme, is not to be the responsibility of an authority's executive.

Regulation 2(6) provides that the functions of determining the amount of various allowances payable to members of local authorities under the Local Government Act 1972 ("the 1972 Act"), the rates at which certain payments under that Act by way of allowances are to be made, the amounts payable under schemes under section 18 of the Local Government and Housing Act 1989 and the rates of payments under such schemes, are not to be the responsibility of an authority's executive. It also provides that the function of determining whether a charge should be made for any approval,

consent, licence, permit or registration granted or issued in the exercise of Schedule 1 functions, and the amount of any such charge, are not to be the responsibility of an authority's executive.

The effect of regulation 2(7) is to prevent an authority from arranging for the discharge of the functions specified in regulation 2(5) or (6)(a) to (c) by a committee, sub-committee or officer. (Other functions referred to in regulation 2 which are not the responsibility of an authority's executive may be discharged by a committee, sub-committee or officer of the authority under arrangements under section 101 of the 1972 Act.)

Regulation 2(8) provides, within one exception, that the making of arrangements for the discharge of functions under section 101(5) of the 1972 Act and the appointment of committees under section 102 of the 1972 Act is not to be the responsibility of an authority's executive. The exception relates to provision made in regulations under section 20 of the Local Government Act 2000, which may allow the executive of an authority to make appointments under section 102 of the 1972 Act.

Regulation 2(9) and (10) makes special provision in relation to York City Council's functions relating to the management of the Yorkshire Museum and Gardens and to South Lakeland District Council's functions relating to the management of land at Lake Windermere. None of the functions referred to in those paragraphs is to be the responsibility of the relevant Council's executive.

Regulation 2(11) and (12) precludes an authority's executive from discharging functions which, in accordance with any public or local Act, or any subordinate legislation, must be discharged by the authority themselves, unless the discharge of the function by the executive is authorised by any other provision of these Regulations.

Regulation 3(1) provides that the functions mentioned in Schedule 2 may be (but need not be) the responsibility of an authority's executive.

Regulation 3(2) provides that Hastings Borough Council's functions relating to the management of the Hastings and Saint Leonard's Museum may be (but need not be) the responsibility of an authority's executive, and paragraphs (3) and (4) of that regulation make consequential and supplementary provision where those functions are the responsibility of the Council's executive.

Paragraphs (1) to (3) of regulation 4 allocate responsibility for various aspects of functions relating to the formulation and preparation of plans and strategies of the descriptions specified in Schedule 3 between an authority and their executive. They also apply to other plans and strategies whose adoption or approval is a matter for determination by the authority themselves in accordance with regulation 5(1). Paragraph (4) of regulation (4) allocates responsibility for the amendment, modification, variation or revocation of the plans and strategies specified in Schedule 3. Paragraphs (5) to (7) of regulation 4 make similar provision in relation to functions concerned with the disposal of an authority's housing land.

Where an aspect of a function referred to in paragraph (1), (4) or (5) of regulation 4 is not to be the responsibility of an authority's executive, paragraph (8) of that regulation has the effect that the authority may not arrange for it to be discharged by any of their committees, sub-committees or officers.

Paragraphs (9) to (11) of regulation 4 allocate responsibility for various aspects of functions relating to council tax, precepts and other calculations under the Local Government Finance Act 1992. To the extent that the function relates to the preparation and revision of estimates and other amounts for consideration by an authority it is to be the responsibility of an authority's executive. Other

aspects of the function, such as the setting of an amount of council tax for a financial year, are to be the responsibility of the authority.

Regulation 5(1) and Schedule 4 specify the circumstances in which certain functions, that would otherwise be the responsibility of an authority's executive, are not to be the responsibility of such an executive. The circumstances are listed in column (2) of Schedule 4, and the functions to which they relate are listed in column (1). An exception is provided in regulation 5(2) for certain determinations that need to be made as a matter of urgency. In those cases, the determination can be made by the authority's executive only with the prior written agreement of a chairman of a relevant overview and scrutiny committee (defined in regulation 5(3)) or, in specific circumstances, of the chairman or vice-chairman of the authority. Regulation 5(4) requires the individual or body by whom the determination is made to submit a report to the authority of the action taken.

The effect of regulation 5(5) is to prevent an authority from arranging for the discharge by a committee, sub-committee or officer of functions which, in accordance with regulation 5(1), are the responsibility of the authority.
