

What are the top three things most important to you to see as part of the provision of a replacement car park at Milton Road?

Are there any problems or concerns in Dovercourt that are caused by the two Victoria Street sites being empty?

What are the top three things most important to you to see improved as part of new homes being provided on Victoria Street?

Any other thoughts or ideas?

Add a few trees

Opportunity to provide housing for local people in need

Give residents adequate parking

Build legacy of youth engagement

Renew street signs and provide better lighting
