

CoursePro Dryside Lessons and Courses – Frequently Asked Questions

What is CoursePro?

CoursePro is our booking system for Lessons and Courses, allowing all relevant Information to be clearly recorded and enhancing communication with parents.

You can now pay by monthly Direct Debit or Annually.

We are all dedicated to ensuring the highest standards are delivered, and this change will benefit all of our Gymnastics and Trampoline Courses, the centres and most of all, the children.

Why is the Teacher using a Mobile Phone/Device?

We have replaced paper registers with a Mobile Tablet, which will be used to mark your child's attendance and what competencies have been achieved by your Child for each stage/level or age group. Use of their tablets will be kept to a minimum, but to ensure you're kept up to date they will use these throughout your child's lessons when required.

What information are they putting into the Device?

We have the children's names and any relevant medical conditions the teacher needs to know, together with the competencies they are working to in their stage/level or age group.

When does my Child get assessed?

Your child will be continually assessed throughout their journey. On the Tablet, the Teacher has the various competencies your child must pass to complete the stage/level or age group.

Once they have passed each competency, the teacher will mark them as either fair, good or passed, and this will be date stamped, so that you can see how your child is progressing.

How do I access this information?

By registering with Home Portal* via this link

<https://tendringleisure.courseprogress.co.uk/login>

*Please note this is not the same portal for booking other activities across our centres, so we require you to register for this portal separately.

Can another Parent see my child's information?

No, you will only have access to your Child's information.

Will I get a letter telling me when to re-enrol?

No, we will now be corresponding with Parents who are registered with the Home Portal or by email. Please ensure we have your up-to-date details. This can be updated by emailing memberships@tendringdc.gov.uk or alternatively at your local leisure centre.

What happens when my child passes the Stage?

The Teacher will mark off your child as having completed the stage/level or age group, they may inform you during the Lesson, and you will be notified via the Home Portal to say your child has passed, and you will be notified of spaces available.

Will the Teacher tell me that my Child needs to go up?

Yes, they may tell you during your Child's Lesson, and you will be notified via the Home Portal if you have registered.

Will my child get a certificate?

Certificates and badges are available at reception at an additional cost.

Can I move them up straight away?

As soon as you have been told/notified, our Teachers will accept the move. Once accepted, this can be seen by Reception or from your Home Portal. At this point, you can move your child. Please note; we will try our best to ensure we have a space for your child to move to, but failing this, your child will stay where they are and move as soon as a suitable space becomes available.

What happens if a lesson is cancelled?

If we must cancel a lesson and you pay by Direct Debit, this will be reflected by way of a reduction to your next monthly payment.
