Introduction

There are more than sixty-five play areas across the Tendring District, thirty-eight of these are owned and managed by Tendring District Council, with the remainder in the ownership of parish councils and community groups.

This brochure shows the locations of all the play areas open for free public use across the district.

I would like to take this opportunity to thank the Big Lottery for £288,000 of funding which has helped Tendring District Council provide much improved facilities for young people across our area.

The programme of new and enhanced play areas in a whole range of locations is very much in line with the Council's priority to improve the health and well-being of our residents.

I hope children enjoy using the equipment which will help encourage them to take part in outdoor activities and make the most of the natural environment around them.

Councillor Stephen Mayzes
TDC Cabinet Member for Leisure
