How to use the Service

WHAT CAN GO IN

WHAT CAN'T GO IN

-  Only branches up to approx. 23cm (9") in diameter and up to 1 metre (3 feet) will be collected
-  Only the contents of the bin can be collected, additional waste beside the bin cannot. We can empty a bin up to 80kg – please ensure the lid is closed
-  Please ensure your brown wheeled bin is left at the boundary of your property by 7am on the day of collection
-  Please put the garden waste loose into the bin as plastic bags cannot be taken. If plastic bags are found in your bin, it will not be emptied
-  We make all reasonable efforts to empty your bin. Waste that is stuck, frozen or contaminated in the bin may result in it not being emptied
-  Regrettably, this is a non-refundable service. To keep administration costs down, we cannot refund any part of your subscription if you cancel part way through the year
